### **BRADFORD ON AVON: PROPOSED WAITING RESTRICTIONS**

#### **Purpose of Report**

To:

- (i) Consider objections to the advertised proposals for parking controls at various locations within Bradford on Avon.
- (ii) Recommend the making of the Traffic Regulation Order with minor amendments to the advertised proposals.

#### **Consultation**

As part of the Town Centre parking review the Town Council was consulted prior to the advertisement process. The Town Council also carried out its own consultation to understand opinions towards the proposed parking restriction prior to the official advertisement. The review resulted in 12 locations within Bradford on Avon being put forward to advertisement.

During the advertisement period a total of 65 items of correspondence were received in response to the proposals contained within the advertised Traffic Regulation Order (TRO). Of the 65 items of correspondence received, 10 expressed support for the Council's proposals, 45 objected to the proposal in its current form and 10 commented on.

Details of correspondence can be found in **Appendix 1**, together with a summary of comments. Officer response to the comments can be found in **Appendix 2**.

#### **Options Considered**

To:

- (i) Implement the proposals as advertised.
- (ii) Not implement the proposals.
- (iii) Implement the proposals with amendments.

#### **Reason for Decision**

The comments set out in **Appendix 2** on the various objections received indicate that it is considered appropriate to introduce the scheme with the minor amendments detailed in **Appendix 3**.

**DECISION MADE**

I approve that:

- (i) The restrictions be implemented as advertised, subject to the minor amendments detailed in **Appendix 3**.
  
- (ii) The objectors to be informed accordingly.

**This decision was published on 14 August '17 and will come into force on 22 August '17**
