Tidworth Area Board Report

January 2018

Recruitment Campaign

Dorset & Wiltshire FRS is now started a process of whole-time recruitment. This began in November and is still on-going. Prior to this the Service has run six “have-a-go-sessions” so that under-represented groups in our community can see what it is like to be a firefighter.

Three of these have been in the Wiltshire area, Swindon, Salisbury & Trowbridge. Despite numerous campaigns in the past, female and BME groups are still under-represented in the Fire Service and we are hoping that this positive action will help destroy some of the myths about the job.

Want to become an On-Call firefighter ? Or know someone who does?

On-call Firefighters provide a part-time service around other commitments. They let us know when they are available and respond to emergency call outs.

To find out more about the role please visit the ‘Working for us’ pages of our website or drop into the station on a Wednesday evening for a chat.

We also have opportunities for **Volunteers**. If you are interested please see the Service Web-site, contact Neil Chamberlain or speak to me. My contact details are at the end of this report.

‘Safe and Well’ and ‘Health and Well-Being’

The Service is keen to maintain a link between our **Safe and Well advisors** and **Health and Wellbeing** activities across the Tidworth area. I am always happy to discuss Service activities in terms of working together in this area.

The Service is looking to work with the Group to supply information on vulnerable households through our software programme ‘**Pinpoint**’. This will identify the high risk premises, within our Community Area, and allow both the Service and local groups to engage in joint working and information sharing in order to protect the most vulnerable members of our community.

Safe and Well Visits- Home safety

The Community area has a dedicated Fire Service '**Safe and Well**' advisor who can visit people, within their own homes, advising on home safety and wellbeing.

A Safe and Well visit is **FREE** and normally last about one hour covering topics such as:

- Using electricity safely
- Cooking safely
- Making an escape plan
- What to do if there is a fire
- Keeping children safe
- Good practice – night time routine and other points relevant to you
- Identifying and discussing any further support the occupier may need

If you have thatch property, are living alone, have a young family, are over 65 or a smoker please get in contact with us. We want to help make you safer in your own home. If you or someone you know has mobility or sight and hearing impairments, please suggest a Safe and Well visit.

Visit <http://www.dwfire.org.uk/news/new-name-new-contact-details-same-service/> to book one.

DW Fire and 'Safety Weeks'

The Service has been supporting a number of various "Safety Weeks" during the last quarter. This support has generally been in the form of giving advice through media outputs and during safe and well visits and Business Fire Safety interventions. These last few months have seen the following campaigns:

- Chimney Fire Safety Week
- Business Safety week
- Gas Safety week
- UK Home Safety week
- Candle Safety week
- National Burn awareness day
- Student Fire Safety Week

PROTECT

PROTECT
