What is the Community benefit of your project, and approximately how many people will benefit? (IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES) During 2008 the paved area adjacent to the shops at Pavenhill was greatly improved by planting two trees and the placing of three planters on what was previously a large, unattractive tarmaced area which vehicle drivers occasionally parked on making the place very unsightly. The area is very prominent in the village and for many years there has been a desire to improve it's appearance. The three planters were all that could be afforded at the time and it was necessary to place them in such a way as to prevent vehicles driving onto the area. This has resulted in gaps that would benefit from two further planters. NWDC will not meet future running costs for projects. Please tell us how these will be met in the future
