Sgts Mess,
R.A.F. Bruggen,
B.F.P.O. 42.

Dear Sir,

Land for Open Space at the rear of
98, Hardens Mead.

Thank you for your letter of the 14th April concerning the above.

The Council purchased this land from Messrs. E. J. G. Morgan L the original Estate Developer, on the understanding that it would be used for Open Space purposes. Under these circumstances, and because the whole area is comparatively limited in size, it is unlikely that the Council would dispose of the area you enquire about.

Should there be any future indication of a change in policy, I will communicate with you again.

Yours faithfully,

Borough Surveyor.
