By receiving this grant, our project will improve the safety of cricket. It will improve the attractiveness of the club to new members, thus enabling us to increase our teams by at least one by 2009. This reflects extending access and participation in the local community. Our project is open to any one who wishes to become involved, regardless of age, gender, ethnic origin or socio-economic status. Our project would increase the skills and creativity of those who become involved as the project will enable them to visualise the ball more effectively. Our project will inspire more volunteers, by involving youth and encouraging parents to become involved. Our project will inspire people to stay involved in the activity it creates (cricket) long term, which will improve the quality of life. This connects with the Calne Community Plan 2004-2014 by creating activities which encourage a constructive role in the community. Our project will benefit approximately 200 plus people from 7 years old to 65 years plus and will increase over the years as the activity it creates will be ongoing.	
<b>NWDC will not meet future running costs for projects. Please tell us how these will be met in the future</b> Running costs will be basic maintenance and moving the screens around the ground. This will be met by the Cricket Club.

Calne Cricket Club is now into its 8<sup>th</sup> year of active community involvement. We strongly support the Calne Community Plan 2004-2014. We are actively involved with the Beversbrook project increasing recreation land and facilities. This connects with the Calne Community Plan 2004-2014. We are a ECB Club Mark Club and work closely with the ECB developing youth cricket. We also accommodate the Chance to Shine project run by the ECB. This takes our coaches into Calne schools throughout the summer to deliver cricket coaching. This strengthens our Club and increases our community involvement and profile. We plan in the near future to also run summer schools for children aged 9-13 years old.
