<p>Wootton Bassett Netball Club is a brand new community group and has been developed in response to a local need for a regular activity session for women to attend. Netball has been identified as an opportunity due to a lack of a local club and already the club has 30 people attending with 20 more showing an interest in participating.</p> <p>The benefit of this project is involving women from a wide variety of backgrounds within the local community area and providing them with a forum to meet people, make new friends, take up regular exercise and encouraging them to feel part of a sociable, healthy lifestyle.</p> <p>The majority of ladies that attend are local mums. Due to busy home lives and work schedules which frequently involve unsociable and varying shifts, result in not being able to make the most use of gym membership. The netball club provides an opportunity to attend wherever possible and pay on the night. Many of the ladies appreciate this as they don't like being alienated and consequently put off by not being able to commit to attending an activity every week.</p> <p>We are open to all ages and currently have participants between the age of 19 and 43. We need to invest in equipment and other resources in order to provide for the interest that has been sparked by our project.</p>	
NWDC will not meet future running costs for projects. Please tell us how these will be met in the future Members are being asked to contribute £2.50 per session to cover the cost of hiring facilities at the sports centre.

The club has the support of the Lime Kiln Leisure Centre and Wootton Bassett School and hopes to establish itself as a popular, sociable, regular activity session for women of all ages. The purchase of equipment, balls, bibs and court time will enable us to provide more netball to more people at the same time.

We also wish to have two members undertake the Netball level 1 training course and this will enable the club to develop and will provide opportunities for adult learning to take place as well to encourage women back to the game.

Club sessions consist of

Additional equipment in Project Costs (below) include: bibs, balls, ball pumps, first aid kit, whistles and stopwatches. All costs come from Maude Sports, www.maudesport.com – Please see attached quotes.

We do not have any accounts to provide because we are a brand new club.
