Total number of deaths in area	0
Total number of injuries in area (including RTC)	0
Number of RTCs attended by WFRS	1
Number of False automatic Fire Alarms attended	5
Number of Co-Responding by WFRS in area	21

Summary of main events:-

On the 20<sup>th</sup> July a fire crew attended an address in Gt. Bedwyn where they used ladders to get a 10 year old boy, who had got stuck in a precarious position, down from a tree.

We are continuing our ongoing work with our 'Fire Stop' project working with statutory and voluntary organisations to identify the more vulnerable members of our community (including boat owners) who may be at an increased risk of dwelling fires. We then offer home fire safety checks and fit smoke alarms where needed.

Black Dog Road Safety and Safe Drive Stay Alive events will be continued to be carried out in the area over the coming months.
