**CS-001-12 - PROVISION OF TIER 2 CHILD AND ADOLESCENT
MENTAL HEALTH SERVICES**

Purpose of Report

To support a decision to award Tier 2 Child and Adolescent Mental Health Services presently delivered by the council to Oxford Health NHS Foundation Trust.

Consultation

This proposal has been discussed by the Corporate Leadership Team. Corporate Procurement and Legal have been contacted in relation to the procurement route and unions and affected staff have been consulted and informed by HR and managers.

Options Considered

Not delivering a service, continuance of existing provision, integration with locality teams and integration of Tier 2 with Tier 3 and 4 specialist CAMHs.

Reason for Decision

The only option that will address existing issues, deliver improved services and best value is the integration of Tier 2 services with Tier 3 and 4 services, through Oxford Health.

INTENTION TO MAKE DECISION

Following consultation with officers I give notice that I intend to make the decision set out in the attached report. If you would like to make any representations to me on this issue please do so by 12th March, 2012.
