<u>Agenda Item No.</u>	<u>Summary of Issues Discussed and Decision</u>	<u>Action By</u>
1.	<p><u>Welcome and Introduction</u></p> <p>The Chairman welcomed everyone to meeting of the South West Wiltshire Area Board.</p> <p>Councillor John Brady was Introduced as the Cabinet Member attending the Board.</p>	
2.	<p><u>Apologies for Absence</u></p> <p>Councillor John Noeken – Cabinet member, Wiltshire Council Jaki Farrell, Youth Development Officer, Wiltshire Council, Joy Hillyer – Independent Member of Wiltshire Police Authority Wanda Szewc – Tenants Panel</p>	
3.	<p><u>Declarations of Interest</u></p> <p>Councillor George Jeans declared a prejudicial interest regarding Item – 10. Grant Applications – application received from Mere Parish Council, as he was a member.</p> <p>Councillor Jeans spoke on the application, but then left the room for the decision and did not vote.</p>	
4.	<p><u>Minutes</u></p> <p>That the minutes of the meeting held on 21 October 2009 be approved as a correct record and signed by the Chairman.</p>	
5.	<p><u>Chairman's Announcements</u></p> <p>The Chairman updated the board on some recent developments, these were:</p> <ul style="list-style-type: none"> • Cabinet had agreed that the Tisbury Sure Start Children's Centre would be located in the old Department of Community Services (DCS) site, next to Nadder Hall. • The DVD of the Speed limit Review had now been sent out to all Parishes. • On 1 December 2009, Full Council resolved that all Parish Council election fees would be paid by Wiltshire Council in the future. <p>The Chairman asked the public if anyone wished to speak, the following</p>	

Area Board.

A DVD setting out how the Council spends its money, how it has been saving money and what it plans to do with its money, was shown to the Board. Following this everyone was asked to complete a ballot paper. These were collected on the night and the top five scores were as follows:

	Spend More	Spend Less
1	Maintenance of existing roads	Archives of Public records
2	Youth Services & Adult Social Care for Older People	Town Centre improvements
3	New road building and road improvements	Museums and Galleries
4	Traffic management and Congestion / Adult Social care for people with mental / physical disabilities	Planning
5	Bus services	Road Safety Training

7.

Former Wilton Middle School

Tim Slator – Corporate Estates Manager gave an update to the Board on the former Wilton Middle School site. Some of the points covered were:

- The School was closed down following a three tier review.
- The building had stood empty for several years, and there were concerns of vandalism.
- The Educational Department has no plans to bring the site back into educational use.
- The only access to the site is by a narrow road, causing problems in terms of Highways.
- One third of the site is owned by the Diocese, who is in support of developing the site.
- There are security issues on site whilst the buildings remain unused.
- A live in Guardian is currently living in the bungalow on site, and is working with the Community Beat officer to tackle anti social behaviour at the site.

Planning is one constraint on the development of the site, as the site is currently classed as category D1, which means that if the site were to be reopened as a school, no change of use would be required. However, if the site were to be used for anything outside the D1 category, a change of use would need to be applied for.

Another key issue for consideration when planning the development of

the site is the limited access. To improve access, additional land would need to be purchased, and Wiltshire Council is not in a position to do that.

It is the Highways view that development should be restricted so that the access would not need to be improved.

An architect's feasibility study will be carried out; results from this will be available in January 2010.

The options for development of the site are as follows:

Option A

- Retain core of original single storey brick built school buildings for refurbishment for occupation as training centre/offices with some dedicated car parking.
- Demolish remainder of buildings
- Consider developing NE area of site, use to be determined but at approx 1ha about the right size for 60bed + care home.
- Retain green field area forming southern half of site and protect for future 1-2 form entry primary school assuming that playing fields used by school have shared community use, upgrade existing separate entrance to The Hollows
- Existing playing fields on NW side of site to be retained.

Option B

- As Option A but :
- Demolish all remaining buildings except hall/gym, associated changing facilities and existing single storey main entrance – refurbish these for either community group use or selling off for privately run leisure complex ; refurbish playing fields on west side of site.
- Protect same area for future primary school as Option A
- The resulting north site is smaller than Option A – similar exercise to identify possible uses which likely to be too small for Care Home – consider housing – either affordable or open market or mix of both.

Option C

- Reserve the area of the site for future primary school (as Options A and B) and sell remaining site either as it stands or with all buildings cleared.

Chesterton Humbert's have been appointed to carry out a marketing assessment on the site. Findings are expected in 2-3 months.

	<p>The Chairman invited questions and comments from the public, these were as follows:</p> <ul style="list-style-type: none"> • Once additional housing had been built, the area would be in need of a secondary school. • Children currently have to travel some distance to attend schools, why can't the site be made into a school with a sports centre for the Western area. • After watching the school building and site deteriorate over the past four years, we are furious that the guardian is a single elderly lady. • I am currently heading a consortium, to suite a local community arts group, who are trying to put together a business plan. There is another party interested in taking over the site. Once we have established their plans we would put a plan together for the use of the other buildings. • The Consortium has the full support of Wilton Town Council, and ask for the support of the Area Board. • The Western area is lacking in sports facilities • The Wheatsheaf Rugby club and the local football club would like to use the grounds to play on. If that were permitted, and the land used regularly it would promote an added level of security. • The actual date of the results from the feasibility study is unknown, and keeps on being postponed. Can we have an actual date for completion. <p>Some of the responses were:</p> <ul style="list-style-type: none"> • The Education Department do not wish to keep the site as a school. • The playing fields would not be touched by development. • The Guardian living on site is not there to tackle intruders, but to act as a deterrent. • The Planners and the Highways Department would be using the old levels of traffic flow from when the school was open, which was busier, when considering future development. <p>The Chairman thanked Tim Slator for his update and welcomed a further update at a future meeting.</p> <p>Decision: Comments and questions were noted, and Councillor Beattie and Tim Slator agreed to find out the actual date that the findings would be available.</p>	<p>Cllr Beattie & Tim Slator</p>

8.	<p><u>Councillors' Topic Areas</u></p> <p>The Councillors on the Board were each given the opportunity to give a an update on any news concerning their themed Topic Areas. These were:</p> <p>Councillor Jose Green – Housing</p> <ul style="list-style-type: none"> • Would like Parish Councils to identify a local needs survey. • The Tenants Panel has a wide remit, not just decency standards that housing stock needs to meet. • As a result of Full Council, Housing restraints areas and policies be removed, and Parish Councils will be re-consulted and have opportunity to submit views on change. • The Implementation Executive decided that there would be scope for more delegated decision regarding planning. Any listed buildings / walls would come to planning committee to make a decision on them. <p>Councillor George Jeans – Environment</p> <ul style="list-style-type: none"> • Community Grants have proved successful; in Mere we have some of the best sports facilities in the area. • We do not want Salisbury to have a licence for 24hour drinking in the Salisbury Area. • Mere would like to see a skate park open. • The serious problem of Parking in villages due to be considered at the next meeting of the Environmental Select Committee, which will take place on 12 January 2010, in Committee room three at County Hall Trowbridge. Public are invited to attend. <p>Councillor Richard Beattie – Licensing and Economic Regeneration</p> <ul style="list-style-type: none"> • Licensing – until now, members were not able to support objectors, after January they will be able to appear and speak. • The three main sites where Wiltshire Council employees will be situated across Wiltshire will be Chippenham, Trowbridge and Salisbury. <p>Councillor Tony Deane – Highways</p> <ul style="list-style-type: none"> • A Highways handout had been circulated prior to the start of the meeting for people to read. • Unemployment for the young farm hands and alike, in the area was a problem that needed addressing. • Apprenticeships for the youth need to be encouraged and supported by local businesses. • Maintaining facilities and improving parking in our villages to encourage people to come in, rather than push them away. 	
----	--	--

	<p>Councillor Bridget Wayman (Chairman) – Youth, Seniors and Health.</p> <ul style="list-style-type: none"> • A Leisure Credit Scheme for the Youth is operating in the Mere and Tisbury Community Areas. • Work is underway to establish a project, which places 18 to 24 year olds, who have been unemployed for a period of nine months, on an apprenticeship scheme. • Working on reducing the requirement of being unemployed from nine months to six months. • Relevant officers had been provided with the details of local employers, interested in taking on an apprentice. • Posters advertising the scheme would not be limited to the college, but would also be distributed to the more rural locations in and around the villages. • Concerned with rural deprivation. <p>Councillor John Brady – Cabinet Member gave an update on various issues, some of the points covered were:</p> <ul style="list-style-type: none"> • No decisions had been taken by Cabinet regarding parking in villages. • Wiltshire Council has successfully bid for £4 million of grants aid, which would be used to help people get back into work. • Employers involved in the apprenticeship scheme were not responsible for any financial outlay, as Wiltshire Council financed the project. • Any Employers in the area interested in taking part in the Scheme were urged to get in contact with Richard Munro. • Wiltshire Council had been successful in assisting 60 out of 80 households who were facing repossession allowing them to remain in their homes. 	
9.	<p><u>Performance Reward Grant Scheme</u></p> <p>The Chairman explained that the Board had been asked to endorse a bid put to them by Tisbury Parish Council, who had set up a sub committee with the aim of producing a master plan for the Weaveland Road, Tisbury, Campus.</p> <p>Decision: The Area Board agreed to support the bid from Tisbury Parish Council for funding towards the production of a master plan for the Tisbury Campus.</p>	

<p>10.</p>	<p><u>Grant Applications</u> The Board considered six grant applications for funding under the Community Grant Scheme, these were:</p> <ol style="list-style-type: none"> 1) East Knoyle Village Hall – Upgrade Village Hall. 2) Fovant Parish Council – Playground Multi-Activity Centre and Safety Surfacing. 3) Tollard Royal Parish Council – Community Orchard Project 4) TAPCAP – Completion of research and survey on parking undertaken by Wiltshire Council and TAPCAP. 5) Mere Parish Council – Christmas Lights Project. 6) Wessex Community Action – Speaker fees, materials and outings for Sunshine Support Group. <p>The Chairman allowed applicants present to speak in support of their application, after which the Board voted on each of the applications.</p> <p><u>Decision</u> East Knoyle Village Hall was awarded £3,000 towards their project to upgrade the Village Hall. <i>Reason The applicant met the Community Area Grant Criteria for 2009/10.</i></p> <p><u>Decision</u> Fovant Parish Council was awarded £4,979 to purchase a Playground Multi-Activity Centre and Safety Surfacing. <i>Reason The applicant met the Community Area Grant Criteria for 2009/10, and the Board commended the applicant’s efforts to raise a noble amount of funding towards the project, which showed support from the community.</i></p> <p><u>Decision</u> Tollard Royal Parish Council was awarded £239 towards their project to create a Community Orchard. <i>Reason The applicant met the Community Area Grant Criteria for 2009/10, and was an imaginative project that would provide a valuable facility for the local community.</i></p> <p><u>Decision</u> TAPCAP was awarded £5,000 for completion of research and survey on parking undertaken by Wiltshire Council and TAPCAP. <i>Reason The applicant met the Community Area Grant Criteria for 2009/10.</i></p> <p>Councillor Green requested that her abstention regarding the Item above be noted.</p> <p><u>Decision</u> Mere Parish Council was awarded £641 towards the purchase of Christmas Lights.</p>	<p>Richard Munro</p>
------------	---	--------------------------

	<p><u>Reason</u> The applicant met the Community Area Grant Criteria for 2009/10.</p> <p><u>Decision</u> Wessex Community Action was awarded £1,310 towards Speaker fees, materials and outings for Sunshine Support Group.</p> <p><u>Reason</u> The applicant met the Community Area Grant Criteria for 2009/10.</p>	<p>Richard Munro</p>
<p>11.</p>	<p><u>Plain Action and Sowing SEEDS</u></p> <p>John Dowsett of Community First gave an overview of the schemes Plain Action and Sowing Seeds, noting the following points:</p> <ul style="list-style-type: none"> • The Schemes were funded by the EU and DEFRA for development in rural areas. • Three main objectives of the schemes were: <ol style="list-style-type: none"> 1. Skills training 2. Support of small businesses - agriculture / tourism 3. Community and Village infrastructure. • Funding was available until 2013 • Interested people were urged to bid for funds. <p>For more information visit www.plainaction.org.uk, or www.sowing-seeds.org, or</p>	
<p>12.</p>	<p><u>Library Service</u></p> <p>Hilary Glyde – Community Librarian explained that following requests from local people to change the opening hours of the libraries in Wilton and Tisbury, a consultation exercise was underway to establish what changes should be made.</p> <p>Details of the proposed options would be available at both libraries .The outcome of the consultation would be given as an update at a future Area Board meeting.</p> <p>Members of the public spoke in favour of the consultation and a change to the current opening hours, to something that would better suit the community.</p>	
<p>13.</p>	<p><u>Updates from Other Partners</u></p> <p>Acting Chief Inspector David McMullin gave an update to the Board, informing them that the new Rural Team was working hard to provide a good service to the community.</p> <p>Questions were invited from those present, some included:</p> <ol style="list-style-type: none"> 1. An incident had occurred during the Remembrance Sunday Ceremony, the member of the public asked for the reassurance 	

	<p>of the Police that it would not happen again.</p> <ol style="list-style-type: none"> 2. Councillor Jeans explained that a similar incident occurred in Mere, where the two minute silence had not been respected; he asked if the Police had a policy on such matters. 3. An incident at the Hollows had involved four tyres being slashed. The owner of the vehicle waited over a week for the Police to attend the scene. <p>Acting Chief Inspector McMullin apologised and gave his assurance that the incident regarding the disruption to the Remembrance Day ceremony would not happen again, and that the existence of such a policy would be look into. He also agreed to have the incident at the Hollows looked into.</p> <p>Acting Chief Inspector David McMullin informed the Board and those present that should people wish to discuss a matter with the Police representative in a less open arena, then they could do so either before or after the meeting.</p> <p>The Area Board were due to sponsor a Health Fair which would be held at Dinton Village Hall on Monday 25 January 2010, from 3.00pm until 6.00pm. Directly after the Health Fair there would be a seminar to debate the Joint Strategic Needs Assessment, on the needs for the area.</p>	<p>Inspector David Minty</p>
14.	<p><u>Updates from the Community Area Partnerships</u></p> <p>Nigel Knowles – Chairman of Tisbury and Parishes Community Area Partnership (TAPCAP) gave an update on the activities of the Partnership to date. Some points outlined were:</p> <ul style="list-style-type: none"> • The first year had been a learning curve. • Funding had arrived a little too late in the year to establish admin support. • Annual meeting scheduled for January 2010. <p>It should be noted that the Council's support for the Community Area Partnership's (CAPs) and for the Wiltshire Forum of Community Area Partnerships (WFCAP) was considered at the Community Leadership and Governance Steering Group in September 2009, where it was agreed to review support and funding arrangements ahead of April 2010. This may result in some changes in the funding arrangements next year. In view of the impending review and the Implementation Executive's commitment, it has been suggested that the release of the remaining grant to the CAP be made subject to the following condition:</p> <ul style="list-style-type: none"> • That before 1April 2010 the CAP should set out a plan to show how it is working to achieve the objectives and commitments of the CAPA, its progress in producing a 	

	<p>community plan for the area and a breakdown of its anticipated operating costs for 2010/11.</p> <p>With this in mind, the Board members voted on releasing the funding to TAPCAP.</p> <p><u>Decision</u></p> <p>That in accordance with the arrangement agreed by the Implementation Executive, the Board approves the release of Tisbury and Parishes Community Area Partnership's 2009/10 Tranche 2 funding of £3,881.</p> <p>Wilton CAP's AGM would be held on Monday 15 February 2010 in Dinton Village Hall, commencing at 6.30pm.</p> <p>Mere CAP's AGM would be held on Thursday 25 February 2010 in Whitsheet School, Zeals, commencing at 6.30pm.</p>	<p>Richard Munro</p>
<p>15.</p>	<p><u>Future Meeting Dates 2010, Evaluation and Close</u></p> <p>The Chairman thanked everyone for coming and read out the results of the Budget Consultation exercise (details included under Item 6).</p> <p>The date of the next meeting is Wednesday 17 February 2010 and will be held in the Grove Buildings, Mere.</p>

Broadband Provision in Wiltshire

Interim Report December 2009

1. Introduction

Whether in terms of everyday living or business and commerce, digital technology is now firmly placed at the heart of today's society. The government's recently published *Digital Britain*¹ report makes the point that first-generation broadband provided a boost to gross domestic product (GDP) of some 0.5%-1.0% a year. It follows from this that, at the local level, a high-quality digital infrastructure is likely to be an important driver and facilitator of economic development. There is also an ever increasing reliance on digital technology to facilitate the access to and delivery of council services.

For several years, all of the BT exchanges in Wiltshire have been DSL-enabled², providing a broadband service, and a number of settlements have also been served by Virgin's fibre-optic cable network. Nonetheless, both potential and actual broadband speeds vary greatly across the county, with speeds in the more advantaged areas being many times those in other areas, to the detriment of some local communities and businesses. For example, the 2008 Rural Facilities Survey³ found that around 14% of settlements in rural Wiltshire did not have access to a broadband service with a speed of at least 2mbps⁴.

Such contrasts in the quality and speed of broadband services are not, of course, confined to Wiltshire, and are of growing concern to central government. The *Digital Britain* report details two national projects aimed at upgrading the quality of broadband provision, over, respectively, the next few years and the longer term. In the first instance, the *Universal Service Commitment (USC)* aims to ensure the provision of "potential" broadband speeds of 2mbps across the whole of the UK by 2012. Secondly the *Final Third* project is a longer term programme to improve access to 'next generation' broadband speeds in those areas where commercial provision is unlikely to be considered viable. This will essentially involve establishing a new network infrastructure. It is not yet clear how projects "on the ground" will be formulated, commissioned or prioritised, but the Regional Development Agencies are mentioned in the funding cocktail. The council and local partners would clearly be in a strong position to make representations regarding these programmes if a solid evidence base is available.

⁴ Megabits per second.

2. Project Aims

This research project has been formulated to put in place the necessary evidence base, with the specific aims to;

- provide a comprehensive picture of broadband speeds throughout the county, mapping existing infrastructure which currently delivers broadband, or which could potentially be upgraded or harnessed to improve broadband delivery, and;
- provide a database of sufficient quality to permit Wiltshire Council to effectively deliver its own programmes, and for the council and local partners to lobby government, the Network Design and Procurement Group⁵, the SWRDA, the infrastructure providers and others, with a view to continually improving broadband provision throughout the county.

3. Initial Results

3.1. Exchanges

There are 106 BT exchanges providing broadband services in Wiltshire (Figure 1 and Table 1). Eighty five of these exchanges are located within the county, while a further twenty one are located outside Wiltshire and provide services to areas around the county boundary. These exchanges offer a varying range of services, as set out below.

The exchanges in Trowbridge, Chippenham and Salisbury are currently enabled with BT's Wholesale Broadband Connect, which is capable of providing faster maximum speeds, and a further 3 exchanges due to be enabled with this technology in 2010 and 27 in 2011 (Figure 2)⁶. These exchanges are predominantly in north and west Wiltshire and also in the south west corner of the county.

Local Loop Unbundling (LLU) services are available through 14 of the exchanges in Wiltshire (Figure 3)⁷. LLU enables communications providers to offer a complete range of broadband and voice services without having to route through BT's main network⁸. This allows higher levels of competition and can reduce costs for consumers. Again, these exchanges are predominantly in the west of the county.

Symmetrical Digital Subscriber Line (SDSL) services are available through almost half of all exchanges in Wiltshire (40 - Figure 4)⁹. SDSL is a service for businesses that allows uploading at the same speed as downloading, making upload speeds much faster than other broadband connections.

⁵ Set up to deliver the USC and Final Third programmes.

3.2. Broadband speeds

The potential broadband speeds achievable through the BT network for all postcodes in Wiltshire have been recorded and mapped to produce an overall picture of broadband provision in the county (Figure 5)¹⁰.

As would be expected, areas with higher speeds are centred on the exchanges, in the towns and some villages, with relatively large, mainly rural areas in between, with speeds below 2mbps. These data indicate that around 5% of households in Wiltshire are currently unable to receive a broadband service with speeds of at least 2mbps¹¹.

The maximum potential speeds currently attainable in the county through the BT network (i.e. excluding cable services) are 8 to 9mbps. These speeds are currently only attainable in Trowbridge, Chippenham and Salisbury, where the exchanges are enabled with Wholesale Broadband Connect. The continued roll out of this technology over the next two years (as shown in Figure 2) should see similar higher speeds become available across much more of the county.

¹⁰ Data obtained from the BT broadband postcode speed checker between 17th September and 25th November 2009. <http://www.btbroadbandinformation.com/bt-postcode-checker>. Potential speed refers to the top speed achievable at a given location.

¹¹ Calculated using Experian's Mosaic estimates of households for mid year 2007.

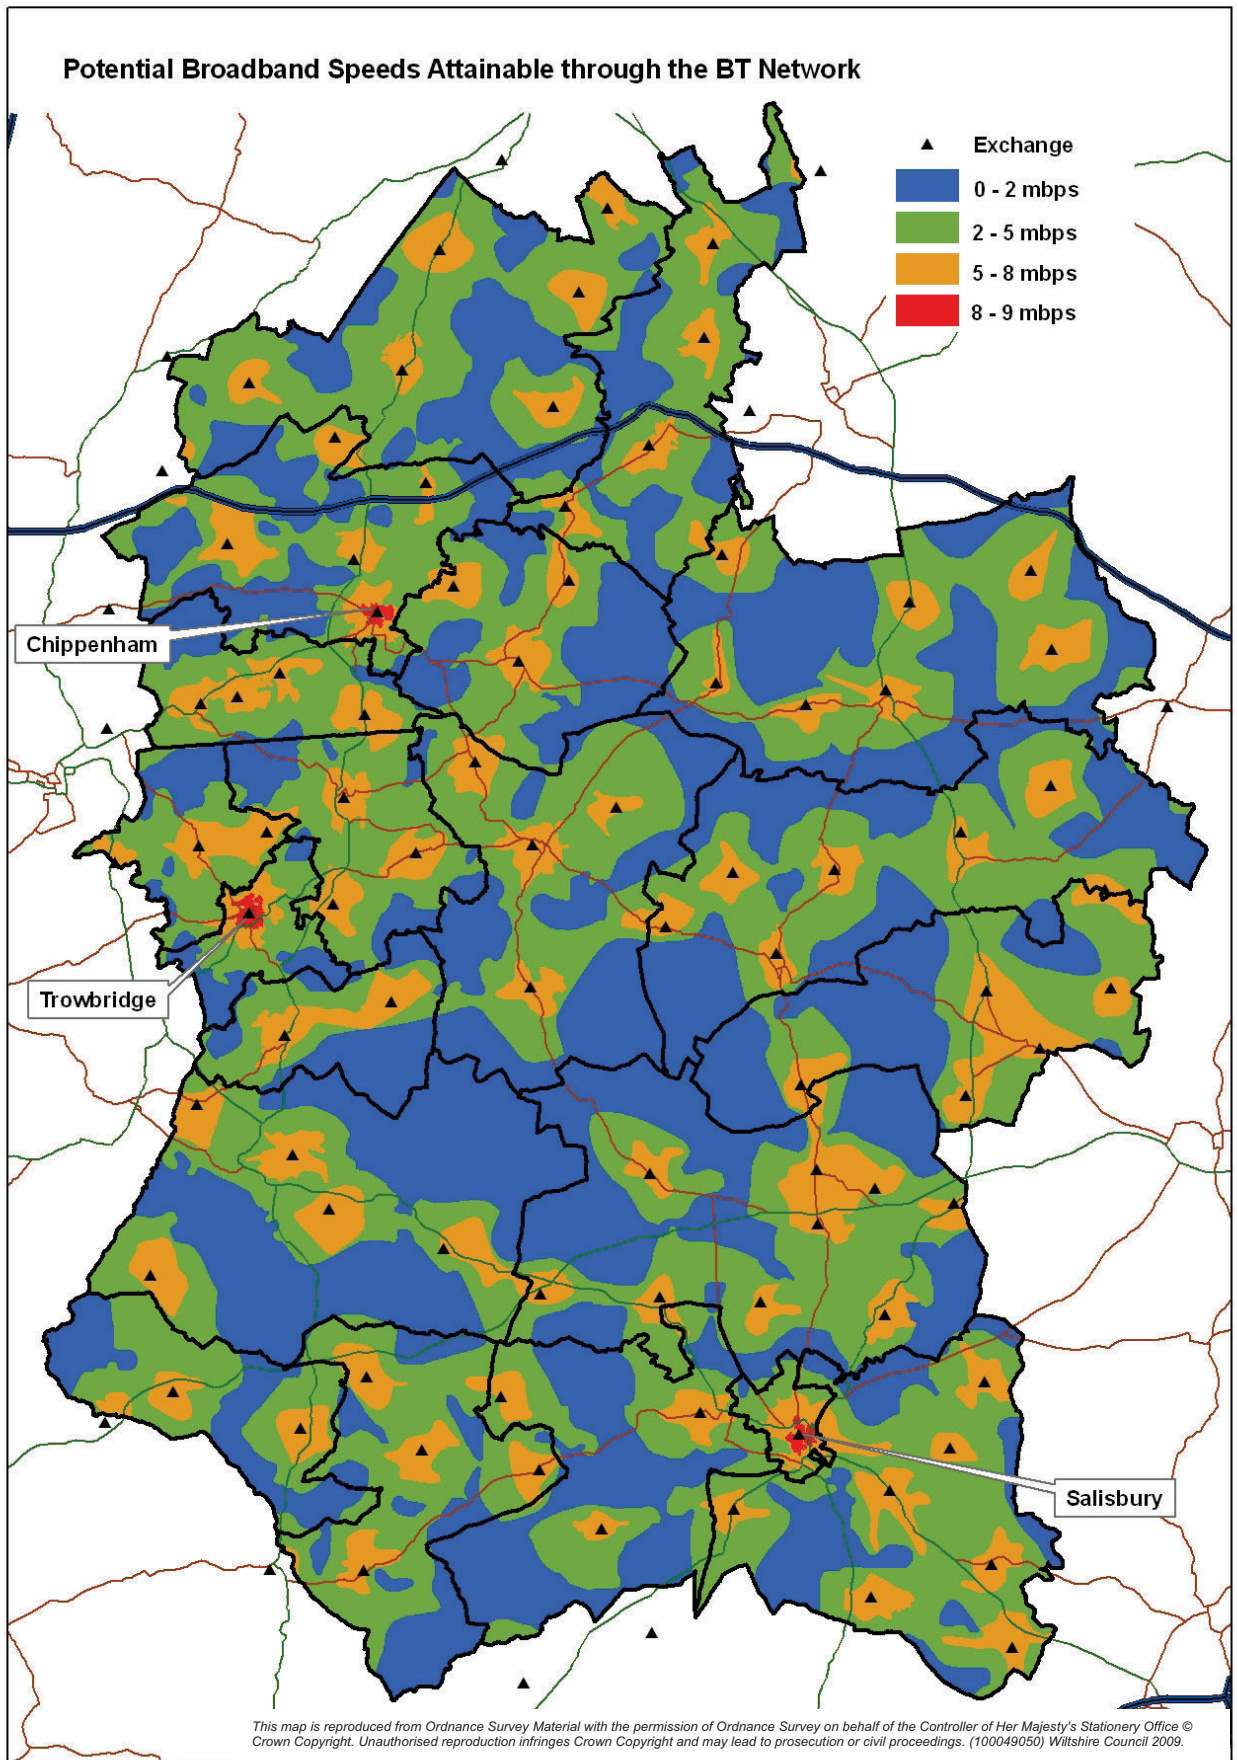

Figure 5. Potential broadband speeds attainable through the BT network.

3.3. Areas with poor or no broadband service

There are a number of locations within Wiltshire which are “very unlikely to receive a fixed 256kbps¹² or 512kbps service due to the long length of the line”¹³ (Figure 6) and around 1% of households in the county fall into this category¹⁴.

The Salisbury Plain area in central Wiltshire is the largest geographic area in the county with a poor broadband service or no service at all, but this area is very sparsely populated, given that it is largely military land. The villages and clusters of villages with a particularly poor service are highlighted on Figure 6.

¹² Kilobits per second.

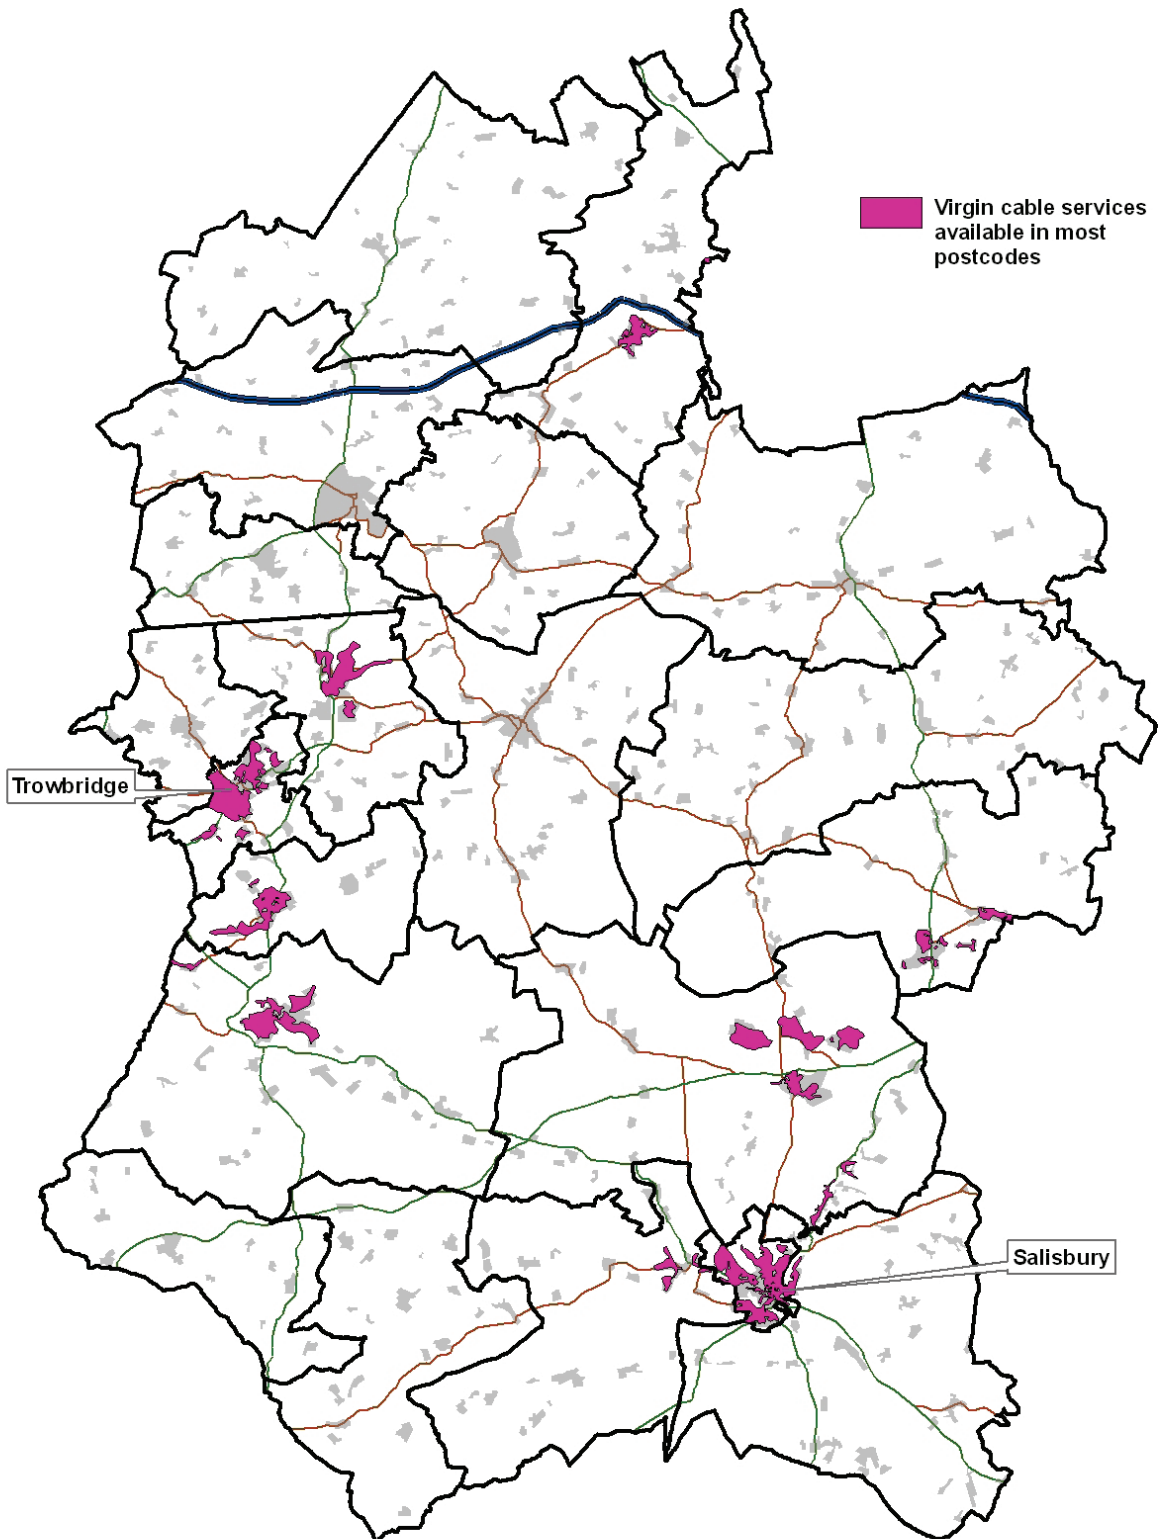

Figure 6. Areas with poor or no broadband service.

3.4. Cable services

Cable services, offering a much higher speed broadband service with headline speeds of up to 50mbps, are available in a number of the towns in Wiltshire (Figure 7). Chippenham, Devizes, Calne and Marlborough are the largest towns in the county not to have this service.

4. Remaining Work

As an aid to the prioritisation of issues, this project will provide profiles for those areas identified as having both superior- and sub-standard broadband provision, indicating the geographical area, the number of businesses and households, the population and its socio-economic characteristics. These profiles will benchmark broadband provision against criteria relevant to the Government's *Universal Service Commitment* and the *Final Third* programmes.

The project will also provide overviews of chosen locations (settlements and employment areas) including the number of businesses, population and households, the average and range of speeds available through the BT network, the accessibility of fibre-optic cable networks and business services such as Ethernet nodes.

Further maps will be produced to show 3G coverage in the county.

The project will go on to highlight where the upgrading or harnessing of existing infrastructure could enhance broadband provision, and will also highlight local schemes, implemented elsewhere, which could potentially provide technical solutions to local broadband issues.

The project is scheduled to be completed by September 2010.

There will be Christmas performances but the main aim is a service of rededication in September 2010 for the main bells of Zeal St Martins. The bells are currently usable but pull reports have been received from Whitechapel Bell Foundry. Both sets require padded carrying cases, new leather handles and caps and an overhaul of all the working parts.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

If a grant is received the hand bells should last for decades with maintenance at minimal costs, which the churches can meet.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The Zeals St Martins bell restoration project has a heritage lottery grant, which requires participation by the whole parish of Upper Stour. The children (180 in total) are involved in many ways in the classroom, have been briefed on bats, bells and handbells and are now practicing playing hand bells as part of Christmas celebrations, with an aim to play regularly in future celebration in the years to come.

4 – Relationship between your project and Wiltshire Council priorities. Which of the following statements apply to the project/service your hope to provide? Please tick as many as you think apply.

Please confirm your project will be completed by 31st March 2010	YES <input type="checkbox"/> NO <input type="checkbox"/>		
What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups) <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small> Fives Court provides complete care for 31 elderly, local men and women, most of whom have at least a fair degree of mobility. There is already a strong culture of gardening at the home which we plan to expand. The proposed garden will provide level, safe paving, seats, raised beds for the Residents themselves to tend, a greenhouse so that Residents can raise flowers and vegetables from seed, a water feature (already funded) to add sound and movement to the pleasure of the garden and, of course, some perennial plants. The garden will be enjoyed not only by the Residents but also by visiting families and friends. Gardening at Fives Court allows Residents who have been life-long gardeners to continue to enjoy their pastime, it provides stimulation and gentle activity for participants and the challenge of being able to enter annual inter-home competitions run by the Orders of St. John Care Trust.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Tending the new garden during the warmer months will be undertaken by the Residents themselves under the direction and with the help of the Activities Coordinator. An Order of St. Johns Care Trust gardener maintains the gardens in general and would undertake any heavy work such as autumn clearance. The basic costs of plant or container or similar purchases are usually met from the Friends of Fives Court main fund to which we add several times each year.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

The garden has been designed by the Activities Manager in consultation with the Residents, responding to the needs and wishes of the Residents. A measured plan and an impression of the completed garden was carried out for the Friends free of charge by a retired civil engineer who lives in Mere. The garden will benefit all the Residents, whether as a place just to sit to pass warm sunny days and/or with family and friends, or as a place to sow and raise seeds, plant out seedlings and general cultivate flowers and vegetables. The Friends of Fives Court are a very small group of people who work to raise money to provide extra amenities beyond those already provided by the Home, for the benefit of the Residents. We do this mainly by fund-raising events, in which we receive consistently astonishing and generous support from the people of Mere across the board. The Friends would be quite impotent were it not for the warm-hearted support we receive. One could almost describe this project as a community-wide project!

These 'credits' can then be redeemed through Wilton Development Centre for Young People to go on reward trips. Young people undertake jobs in their local area, and the jobs that they do enable them to learn new skills and benefit both the environment and the community area. The beneficiaries for this project are the young people who get involved, as they are able to access a range of opportunities by taking part. Local residents may also benefit, where young people are doing jobs in areas such as parks, rivers or wildlife reserves. Young people from the Wilton Community Area will take part in this project and we estimate that approx 40 young people aged 12 - 20 will be involved throughout the year. Leisure Credits will take place twice a month and will be on a weekend and where funding permits during the school holidays to ensure a large range of young people have access to the project. Areas in the Chalke Valley have already been identified and local parish and town councils and the police have been contacted for suggestions on jobs that the young people can do, such as clean up park areas and redecorate village halls etc. We are also looking to contact local housing associations, so that the young people may do some gardening for local elderly residents.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

We are currently applying for funding from other sources such as Wessex Water and the Wiltshire Young People's Opportunity Fund. We are also looking for other sources of funding, such as Parish and Town councils, where we are undertaking work and will use some of our locally held funds to pay for part of the project. We will also look to form partnerships with other agencies, so that other funding can be obtained through joint funding bids.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The young people who are currently involved with this project all live in the Wilton community area. Participation in this project has increased through word of mouth and we hope to keep recruiting more young people. The young people involved also help to come up with jobs that they would like to do or think are needed in their area. This happens either during their youth sessions or through consultation at Wilton's Community Area Young People's Issue's Group or through street based work. The young people also complete funding bids for the project. The project enables young people to develop their personal and social skills, as well as their practical skills. This enables them to develop into responsible young adults and gives them skills which they can take with them into other aspects of their lives, such as jobs. The young people receive praise for the work that they do, from councillors to members of the public, which increases their self esteem and self worth. The project is open to all young people, which ensures that everyone has the opportunity to access the project and means that those from disadvantaged or rural backgrounds are able to access trips, that they would not normally have access to. The project also benefits whole communities, and by visibly working within these communities it means that young people are challenging the negative stereotypes of young people in the media. The project aims to promote community cohesion and intergenerational relationships.

This Historical Society in Mere has in the region of 175 members who meet throughout the year for public lectures, private talks and historical excursions. It is the parent organisation of Mere Museum, which boasts 200 Friends and many more supporters who come from all strata of the Mere community: locals and retirees alike. This stage of the archive project is an essential one for the long-term preservation of the materials relating to the history of Mere and district collected by Michael Tighe, one of Mere's recent historians. When it is complete, the third stage, which is the cataloguing of the materials, will be undertaken. It is at this stage that the people of Mere at large will benefit, because the catalogue will be made publicly available and those interested will be able to consult the materials by arrangement with the archivist. There will be also be exhibitions of the materials in the Museum which will further engender interest and an understanding of their history among members of the local community.

<small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small>			
<p>The prime community benefit will be for Bishopstone to have a warm welcoming village hall capable of running events catering to 100+. We have proved that a good programme of events attract people from our village and the much larger area of the Chalke Valley. Though the village population is 622, we regularly have people from other villages in the immediate area, especially for fund-raising events and Moviola. Recent shows have attracted people from much further afield - Fordingbridge, Tisbury and Wilton. The events tend to cater for all age groups, but we also arrange special events for children. Monthly meetings are well attended by the 60+s. The clear objectives detailed in our Village Hall Business Plan (2008-2012) have been and are to improve the village hall building, meet the social, entertainment and educational needs of the entire village, increase energy efficiency and increase capacity. Key within this is the reduction of social exclusion. Bishopstone has a higher than average for Wiltshire over 65 population, a higher than average amount of social housing, a higher than average number of households without cars and a higher than average number of households with carer-dependent people. (See National Census for Salisbury District and Wiltshire 2001). The Chalke Valley, with Bishopstone at its centre is a designated area of social deprivation by the Wiltshire Strategic Board and is in the top 5% most deprived wards in England in terms of access to services.</p>			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The hall is financially stable and viable. The project is designed to be financially sustainable. Evidence for this comes from the first two phases of our project, where making the hall warm and comfortable has led to a great increase in attendance at all events and hence the profitability of the hall. (Letting hours alone have increased from 288 hours in FY2007 to 541 already in FY2009.) The further improvements to the hall will lead to an even greater increase in lettings, planned events and attendance at events and hence the profitability of the hall. The improvements will lead to increased rental and hiring both now and in the future, especially if the hall has modern facilities for group catering and a layout that encourages usage for private events.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Knowing and understanding what the village population require is paramount. An initial survey linked to the Hall Business Plan was carried out in 2007-2008. This led to the rectification of major issues by Phases 1 (Insulation) and 2 (Heating) of our Refurbishment Project. All households in the village were then given a briefing document and comment sheet in September 2009, inviting opinion on the drawings and plans for Phase 3. The returns covering 50%+ of households have been unequivocal in their support and see this as the best way of meeting local aspirations. Local clubs and societies have been consulted as well and appreciate the current upgrades and look forward to further improvements. Usage detail is attached as a separate document to this application.

In which Community Area does your project take place? (Please give name – see pp 2-4 of funding pack)	South West Wiltshire Area		
In which Parish does your project take place?	Wilton		
What is your project?	To increase the facilities of our club, to provide an increased opportunity for our members and to encourage others to join		
Where will your project take place?	Wilton Bowls Club		
When will your project take place?	February / March 2010		
Does your project demonstrate a direct link to the Community Plan for the area? If YES, please provide a reference/page no.	YES <input checked="" type="checkbox"/> Page 14 Culture re. Young people NO <input type="checkbox"/>		
Please confirm your project will be completed by 31st March 2010	YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>		
What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups) <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small>			
<p>Improved sporting facilities and social interaction. The immediate beneficiaries are our membership of 72 predominately over the age of 50. We are constantly seeking to increase our membership and widen the scope of those groups who join us. Our club is open to all age groups, genders and disadvantaged groups. We have facilities for the disabled including a £2,000 disabled bowling chair. Our current green is of a standard to attract high profile matches e.g. inter County games, touring sides and county competitions all of which attract people to Wilton who frequently visit the tourist attractions and re-visit us as a result. We are in the process of forming a Junior Section and have qualified members with the appropriate coaching skills and necessary Child and Disadvantaged People Protection. At the end of last season we encouraged youngsters to our green on an 'open day' basis. They were given the basic coaching required. Our club offers social events as well as the sporting activities. The sporting activities are of a wide nature providing high level competition for those who favour this as well as social and fun bowling for those who simply enjoy the opportunity of social interaction. We now have a green that is of the highest standard after spending £2,573.83 on the green following an attack of 'Dollar Spot' which decimated the surface. We now can offer a green of the highest standard but urgently require improved machinery to maintain this.</p>			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

At present our membership has volunteered to raise £2,600 towards funding a new 'multi' combined mower and scarifier machine. We will therefore be able to sustain our club's finances but at a substantially reduced rate as further fund raising would be extremely difficult. We have no other sources of income and will face a very difficult year without additional financial help.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The local organisations are other bowling clubs and visiting groups such as the Wilton Wednesday Club who use our clubhouse for their meetings. Other groups who visit are members of County teams when Bowls Wiltshire use our club to host their games, 3 - 4 per year, as well as many touring sides who come to us annually. These include the Royal Household. All of these visitors help to improve our club thereby allowing us to offer additional facilities and widen the scope of our activities. We are particularly keen to attract young people from the Wilton area and the surrounding villages to a sport which is rapidly becoming much more attractive to the young. We are also keen to attract more members from the disabled section in our community many of whom live close to our green. To achieve this we would need to buy another bowling chair for the disabled but will not be able to do so as a result of having to spend so much on the green recently as well as on the new machinery which is essential to the maintenance of the playing surface. A grant would, therefore, not only help the existing membership but would also place us in a position where we could extend our membership to the young and disabled members of the local community.

In which Parish does your project take place?	Bowerchalke		
What is your project?	Replacement and upgrading of Village Hall interior lighting		
Where will your project take place?	Bowerchalke Village Hall		
When will your project take place?	Feb-Mar 2010		
Does your project demonstrate a direct link to the Community Plan for the area? If YES, please provide a reference/page no.	YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>		
Please confirm your project will have commenced by 31st March 2010	YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>		
What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups) <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small> The Village Hall is our only remaining community faacility. However, it is currently under-used and is in urgent need of upgrading. A key step towards this is the replacement of lights in the main room, which are obsolescent and unsuitable for a wide variety of functions. This will encourage greater use of the Hall, enabling a busier and more varied programme of activities to be conducted. It will foster community spirit and morale, and promote creativity, learning and development skills. We consider this project to be an important and bnecessary investment that will be of immediate and direct benefit to the whole community of around 450 people.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

We are confident that our income from increased use of the Hall will cover the costs associated with using the new lights, which will have low energy, longer life bulbs that will be more efficient than the present one.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

All the groups that currently use the Hall will benefit immediately from the new lighting. These comprise: the Chris Brown Day Centre, The Friendship Club, Art Group, Parish Council, The Parochial Church Council and the Country Market Planning Team. In addition, the hall is used for community entertainment and fund-raising functions, including Rural Arts Wiltshire performances, which require a more modern flexible lighting system. We believe this project will also attract new activity groups, such as rural arts classes, live music and local produce sales.

The Hall is the old Victorian village school and the existing toilets are a legacy from its original use; they are not acceptable in the 21 st century. Modern facilities would make the Hall more appealing to potential hirers of all ages.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Hiring fees and the profit from fund raising events are sufficient to cover our annual running costs.

Does your project demonstrate a direct link to the Community Plan for the area? If YES, please provide a reference/page no.	YES <input checked="" type="checkbox"/> Volunteers and work with young peop NO <input type="checkbox"/>		
Please confirm your project will have commenced by 31st March 2010	YES <input checked="" type="checkbox"/> NO <input type="checkbox"/>		
What community benefits will your project provide and, who are the beneficiaries (e.g. numbers of people, age, gender, particular groups) <small>IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)</small> Tisbury Toddler Group (over 20 families) and a church - sponsored open Youth Club (20 members November 2009) have equipment stored in a small storage room at the church. (toys and sports and leisure equipment especially). Substantial shelves, storage boxes and a large trolley would improve access to the equipment and access to and through the room. Freeing up space would enhance the Church's ability to use the building for more projects in the future.			

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

The Church will be able to maintain the shelves, boxes and trolley as necessary, as part of the ongoing maintenance budget.

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures

Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.

IMPORTANT: PLEASE DO NOT TYPE IN PARAGRAPHS – THIS SECTION IS LIMITED TO 1500 CHARACTERS ONLY (INCLUSIVE OF SPACES)

The Tisbury Toddler Group has been a longstanding user of the Church and we are now able to allocate them 'understairs storage space', bu they tell us that the space needsa organising. The Youth club has bulky items to store and currently some of these have to be kept upstairs and carried down each time the club meets, which is unsatisfactory.
