48	<p><u>PCC Annual Report and the Police and Crime Plan 2015–17</u></p> <p>The Police and Crime Commissioner, Angus Macpherson, delivered a presentation on the Police and Crime Plan 2014-2015. It was reported that Wiltshire Police had been rated as Good under effectiveness, efficiency, and legitimacy the Her Majesty’s Inspectorate of Constabulary (HMIC) inspection in October 2014. It was also highlighted that 83% of people in Wiltshire felt confident in local policing.</p> <p>The Police and Crime Commissioner explained that there had been developments in policing since the Police and Crime Plan 2014-2015 had been written, including extremism, Child Sexual Exploitation (CSE), and cyber terrorism. The new Police and Crime Plan, 2015-2017 had been developed to include and address these issues.</p> <p>It was explained that the main aim of the new Police and Crime Plan, 2015-2017 was to keep Wiltshire and Swindon as one of the safest places in the country. The Police and Crime Commissioner also highlighted the three commitments of the new Plan which were to keep neighbourhood teams at the centre of policing in Wiltshire, to protect neighbourhood policing by shifting resources to the front line, and to ensure that any increase in the police element of council tax would be used to reduce the impact of central funding reductions on neighbourhood policing. The Police and Crime Commissioner also introduced the four priorities of the new Police and Crime Plan 2015-2017.</p> <p>It was also highlighted that the new Police and Crime Plan, 2015-2017 was available to download from the PCC website: http://www.wiltshire-pcc.gov.uk/Document-Library/Police-and-Crime-Plan/PCC-plan-final.pdf.</p> <p>In response to questions by those present, the Police and Crime Commissioner confirmed that emergency calls were generally answered and actioned within Wiltshire. It was explained that the fallback position for call handling was based further away but that this would only be used in rare situations, such as a technology failure.</p> <p>The Police and Crime Commissioner also confirmed that Wiltshire had been highlighted as one of the safest places in the United Kingdom and that the Police and Crime Plan, 2015-2017 aimed to maintain this high level of safety.</p>
49	<p><u>Community Resilience</u></p> <p>Surriya Subramaniam, Head of Public Protection (Emergency Planning), noted that there were a number of national and local plans for emergency situations including animal health plans, snow plans, and flood plans. However, it was</p>

	<p>highlighted that there was no provision for the biggest risk that faced the UK: pandemic flu.</p> <p>It was explained that, as a result of central cuts, the Emergency Planning team were searching for efficiencies rather than a reduction in services provided. It was suggested that each community area could produce its own community plan for emergency situations which would benefit from local expertise, knowledge, and resources and allow Wiltshire Council to focus on central services, such as hospitals.</p> <p>Representatives from Colerne Parish Council, Box Parish Council, and Corsham Town Council explained that several plans had been developed locally and expressed interest in working with the wider Corsham community area and Wiltshire Council to ensure community resilience in emergency situations.</p> <p>The Head of Public Protection noted the local experience in emergency planning and suggested that Wiltshire Council could organise a tailored workshop divided into two sections: a refresher on plans, supported by Emergency Planning, Flood Team, Snow Team, Public Health, Animal Health, and the Police Neighbourhood Team, followed by an emergency planning exercise. All local representatives were invited to take part in this multi-agency workshop.</p> <p>It was confirmed that the Community Engagement Manager and the Head of Public Protection would address the time and venue of this workshop, ensuring that all interested parties were invited.</p>
