## Summary of announcement:

Healthwatch Wiltshire is working in partnership with Wiltshire Council to manage and develop *Your Care Your Support Wiltshire*, the new health and social care information website for the county. As part of this work, Healthwatch Wiltshire has regularly engaged with local people to make sure that the website reflects their need for good quality, comprehensive, and accessible health and care information.

The website went live on April 1<sup>st</sup> 2015 and is still evolving. This is really exciting as it means that Wiltshire people have a chance to be part of its future growth.

The website contains:-

-  Information about different health conditions as well as care services. For example, dementia, keeping well, help to live at home, carers.
-  A service directory that provides details of support and help in the community as well as local clubs, societies and organisations, GPs, dentists and care homes.

We need your help:-

-  To identify the groups, clubs and societies that exist in your area
-  To encourage them to register their details on the service directory
-  To tell us about other types of health and care information you would like to see on the site.
-  Get involved in our discussion groups and readers panels so you can have your say in how the website develops or just contact us and tell us what you think.

**Help us to help you find all the information you need about health and social care in one place.**
