### 6 **Strategic Economic Plan (SEP) Refresh**

The Committee considered a report that provided an update on the draft Strategic Economic Plan (SEP) which had been recently refreshed, and asked the Committee to note the content of the Plan.

Issues highlighted in the course of the presentation and discussion included: the iterative process undergone so far; that SWLEP was one of the few LEPs to refresh SEP since 2012; that three key zones that would be the focus of activity; that some work would be applied across the whole county; that the Board had approved the plan in January 2016; how the plan would be presented in a range of formats to better communicate with current and potential partners.

It was agreed that, in a change to officer's recommendation in the report, the Committee should endorse as well as note the Plan.

### **Resolved**

**To note and endorse of the wording in the Strategic Economic Plan, January 2016.**

## **7 Performance Indicators**

The Committee considered a report that provided an update on progress and recommended to the Committee that the indicator dashboards be published on a regular basis alongside the SWLEP Economic Bulletin be approved, and asked the Committee to consider the options set out regarding reporting period.

Issues highlighted in the course of the presentation and discussion included: that officers had developed the indicators following feedback from the Chairman and other members of the SWLEP Board; how the board could be kept up to date with the progress of projects; how the different outcomes of projects are monitored; how key indicators could be compared to other LEPs on a quarterly basis; the proposals to publish information on the website, and that some of this is already in the public domain; and that the Junction 16 was getting close to the procurement stage.

### **Resolved**

- 1. To note the progress made on the publication of the indicator dashboards for both the SWLEP programme of projects and key economic indicators for the area**
- 2. To confirm the Committee preferred option for a quarterly frequency and format of publication on the SWLEP website to the SWLEP board.**
- 3. To note that, once publication is formally underway, the Dashboards need not be further formally considered at JSEC unless the format, measures and period of the report are proposed to be substantially changed. As reported previously, as further funding programmes and**

**funded projects become live, e.g. European Structural and Investment Funding, the relevant indicators will be added to the dashboards for monitoring.**

## **8 Delivery of Local Growth Fund (LGF) Projects**

The Committee considered the report which provided an update on the delivery of the Local Growth Fund Projects

Issues highlighted in the course of the presentation and discussion included: that £140 million had been allocated to Local Growth Fund projects in the LEP area; that the commissioning group meets monthly to review progress; how a traffic light system is used; the status current projects; how the project managers for each project share information on performance; how the Department for Transport has retained control of some funding; the success of interim management arrangements; and how each priority has a sub-group and officers assigned to support them.

**Resolved**

**To note the report**

## **9 Risk Management Procedures Update**

The Committee considered the report which provided a summary of the SWLEP risk management procedure.

Issues highlighted in the course of the presentation and discussion included: that the SWLEP's approach to risk management had been used recently as an example of good practice; that mitigating actions are identified and progressed through rigorous programme management techniques; and how action is monitored and escalated for sign-off as appropriate.

**Resolved**

**To note the report**

## **10 Higher Futures (formerly City Deals)**

The Committee received the report which full update, following a previously received highlight report, regarding the progress of the Higher Futures project.

Issues highlighted in the course of the presentation and discussion included: that £1.4 million had been previously awarded to the project, with a focus in improving the higher skills amongst the workforce; that particular attention was placed on army leavers in the area; that skills at NQ Level 4 and above were required to meet the needs of the economy over the next decade; that universities from around the country are being approached to help develop

courses to meet the needs of employers; that progress had been slow, but the pace has had since picked up; that a full team of staff had been recruited to take this programme forward; that the previous deal was very ambitious, will have to renegotiate on this position; the income projections were not sustainable in the short-term; that some courses had started already with more to come; that businesses will start to contribute to income later in the lifespan off the project, with some funding expected from colleges; how best to harness larger businesses and groups of Small and Medium Enterprises (SMEs), so that they can help develop course; and the possibility of involving secondary schools once the project for higher skills refines the model.

### **Resolved**

- 1. To note the progress in establishing the Higher Futures Programme as a Programme of the SWLEP, with robust performance management reporting arrangements to the SWLEP Commissioning Group and from there to the SWLEP Board.**
- 2. To note the Board's decision at its meeting on 20 January to approve the change in the profile of budget spending as outlined in paragraph 5.**
- 3. To note the Board's decision at its meeting on 20 January for the Chair of the Sub-Group, the Head of Economy (Swindon Borough Council) and Associate Director of Economy and Planning (Wiltshire Council) enter in discussions with the Department for Business, Innovation and Skills (BIS) to review the outcomes in the City Deal Agreement.**
- 4. To note that the Chair of the SWLEP and Board sponsor will meet with the MOD and Careers Transition Partnership at a national level to facilitate moving forward the military elements of the programme.**

### **11 Strategic Housing Market Assessment (SHMAA)/ Functional Economic Market Area (FEMA) Update**

Alistair Cunningham, Associate Director for Planning – Wiltshire Council, and Richard Bell, Head of Planning - Swindon Borough Council, presented a report which provided an update on progress with the Joint Strategic Housing Market Assessment (SHMA) and Functional Economic Market Assessment (FEMA) for Wiltshire and Swindon; and on arrangements for the Joint Working Group.

Issues highlighted in the course of the presentation and discussion included: that officers were using the LEP footprint to understand the housing market needs to 2030 and then looking at infrastructure (transport, sewerage, water, energy) for 2050; that consultants employed to work on these plans; that a joint working group had been established to drive this work forward; that the work should inform further development of the SEP; the Swindon's Cabinet Member

for Transport would be invited to participate as required; and that the project could start to take in to account the economic areas of neighbouring authorities.

### **Resolved**

- 1. To endorse the content of the report and progress being made on the Strategic Housing Market Assessment and Functional Economic Market Assessment;**
- 2. That a further report be made to the next meeting of the JSEC.**

### **12 Recruitment of SWLEP Director**

It was noted that following a recruitment process, that Paddy Bradley had been appointed as to the position of SWLEP Director.

The Committee joined the Chairman in congratulating Mr Bradley on his new position.

### **13 Future Items and Date of the Next Meeting**

The Committee was asked, in addition to regular updates, for any other items they wished to be considered at future meetings. There were no additional items requested.

The Committee also noted that the meeting dates for the rest of 2016 had been altered from the previous meeting, as part of a reorganisation of SWLEP Board and JSEC meeting dates, as follows:

- 28 April, 24 June, 12 October and 8 December

Meeting of the SWLEP Board, as follows:

- 16 March and 11 May

### **14 Exclusion of the Press and Public**

#### **Resolved**

**To agree that in accordance with Section 100A(4) of the Local Government Act 1972 to exclude the public from the meeting for the business specified in Item Numbers 15 and 16 because it is likely that if members of the public were present there would be disclosure to them of exempt information as defined in paragraph 3 of Part I of Schedule 12A to the Act and the public interest in withholding the information outweighs the public interest in disclosing the information to the public.**

Reason for taking item in private:
