| Collaborative Schools Steering Group    | Area Board - Trowbridge | The Extended Services agenda has evolved massively since its original conception and has an increasing focus on health and wellbeing community initiatives, that support a whole family. Our initiatives are very much locality and needs led, grounded by family consultation. This places us in a key position to provide feedback to the Area Board on welfare issues that are of priority to the community. We have developed strong relationships with a wide variety of local partner agencies, parents and young people, including vulnerable families and believe that an official representation on the Area Board will help to ensure community voice. This communication will also minimise duplication of initiatives. | keeping the children and their families at the heart of our collective decision making.             | Collaborative Steering Group             | Yes           | 1           | Position Vacant July 2013.
