

# ***Update for Chippenham Area Board***

<b>Update from</b>	Vincent Albano, Asset Portfolio Manager Strategic Asset Management
<b>Date of Area Board Meeting</b>	27 <sup>th</sup> June 2016
<b>Subject</b>	Chippenham Skate park – update

## **Update**

The Chippenham Skate Park planning application was submitted in February 2016. The Local Planning Authority requested further information (e.g additional plans and more information regarding flood risk) to support the application. The contactor, Wheelscape, commissioned an additional assessment in respect of flood risk and drainage in order to support the application. This has recently been completed.

Wheelscape are collating all the additional information and are due to resubmit this to the Local Planning Authority during W/B 20<sup>th</sup> June. It will then be for the LPA to consider whether this is sufficient in order to validate the planning application. If it is then the application will be registered and the public consultation will commence.
