we aim to continue and expand on the equipment for the range of activities that we provide already within the community. which are weekly childrens activities every Friday for secondary school children and Saturday mornings for all ages.which are extended to four times a week in the holidays.we also hold regular monthly meetings,family nights,discos and coffee mornings for the community. we wish to help Tenants and Residents access information via the internet regularly which could help them with housing,police and social needs, we work with all 4 housing societies and the police to address the ASB within our area so far we have helped to reduce this by nearly 60% by providing access to facilities,activities and internet within a deprived area.we allow everyone access to our facilities and regularly get attendants from other parts of Trowbridge. we have over 600 houses on our estate with a potential impact of 2000 plus

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

as it is mostly to purchase equipment there is no ongoing costs it just means less activities available. we have already secured funds for hall hire and equipment £1800 from the Wiltshire criminal Justice Boards Community Cashback scheme . also earlier this year we was successful in a grant for £5000 for computers and flat screen televisions for our group which is also now being used by other groups which use the Longfield Community however the funding which provided the internet access is due to expire which will result in loss of connection. we also hold regular events to help with funding discos and family nights also taking part in community events within the town
