It is intended that the towns Pub & Club Watch will introduce a system that allows all licensees to communicate with each other effectively, during licensing hours, through a central controller, based at the towns CCTV Control Room. To take preventative actions to reduce harm from alcohol related anti social behaviour and crime (mainly criminal damage) challenging the culture. To keep licensees and door staff informed with up to date relevant information. Protect our customers and other users of the Town Centre. Using prevention activities to respond quickly and effectively to incidents, using all of the town's response resources. To gain a clear picture of incidents using radio and CCTV evidence to enable a proportional response by agencies..

Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?

Rental fees paid by licensees will cover the cost of the data transmission and further interested parties, as they get involved, will be invited to enhance the amount of training and equipment therefore benefitting themselves and other users..

3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures
