## Wiltshire's libraries - Plans for change

Wiltshire Council is facing a budget reduction of 28.4% over the coming years. To help the council meet this target, the library service will need to reduce its budget by a similar amount.

Following comprehensive consultation, which included area boards, customer focus groups, plans for how the library service will manage its reduced budget were approved by Wiltshire Council's Cabinet on 25 January 2011. The savings will be made by reducing the library stock fund by £149,000 per year to £707,000 per year, by rationalising library opening hours and by working with volunteers to operate our smallest libraries and to extend opening hours at other locations.

## Key points from the plans:

- All 31 of Wiltshire's libraries will be retained
- All five of Wiltshire's mobile libraries will be retained
- All libraries will still receive funding from Wiltshire council for premises costs, power, cleaning and computer systems
- Library stock would continue to be provided to all library branches

## The main changes are:

- Wiltshire's 21 largest libraries would see a reduction in their opening hours. See overleaf for detail
- Reductions would be more significant in libraries serving smaller communities
- Wiltshire's 10 smallest libraries, accounting for 3% of visits overall, would be operated in partnership with volunteers, supported by the library service
- Opening hours would be rationalised so similar sized communities would have the same library opening hours
- Self service technology would be introduced to all libraries to improve efficiency and help communities extend library opening hours through support from volunteers, who will be trained and supported by Wiltshire library staff

Wiltshire Council is fully committed to its libraries and understands how important they are to communities. These plans would allow the council to retain its current network of libraries and mobile library stops.

For more information on how local libraries would be affected see the table overleaf.

If you are interested in volunteering please register your interest on the back page of this leaflet.
