	<ul style="list-style-type: none"> <li>• The board was notified of the passing of P.C. Mike Johnson and Inspector Minty thanked the parish councils for their support during this difficult time.</li> <li>• P.C. Nick Holt will be leaving the Westbury area to pursue CID Officer training.</li> <li>• A process to fill the two posts has therefore been put in place, and notification of which police officers were successful will be brought to the next area board.</li> <li>• In regards to crime in the area, the board were told that burglaries were now on the decline and violent crimes had marginally increased, efforts will be focused on this in the coming weeks.</li> <li>• Other focuses of the police will be on the upcoming Halloween and Bonfire night events, to protect those vulnerable people who may experience trouble.</li> </ul> <p>Community Area Young Peoples' Issue Group (CAYPIG)</p> <ul style="list-style-type: none"> <li>• Sally Willox informed the board that funds had successfully been gained to go ahead with the building of a youth shelter at the youth centre. A planning application would therefore soon go forward.</li> </ul>	
7.	<p><u>Issues Updates</u></p> <p>The board received updates on those issues highlighted at the previous area board, the following points were raised:</p> <p>The Lack of Enquiry Desk at Westbury Police Station</p> <ul style="list-style-type: none"> <li>• Inspector Minty explained that this was an issue of staff cost against usage, and that unfortunately it was previously decided that due to its infrequent use a Police Officers time was better utilised patrolling Westbury or responding to emergency calls, which is why it had closed.</li> <li>• However, the desk has since been open at least once a week as a drop in centre. When asked why the hours for this drop in centre were not published the Inspector clarified that his Police Officers time could not be guaranteed in advance.</li> <li>• The Inspector informed the board that he was also looking into a scheme to re-open the inquiry desk where volunteers can be used to man the desk. This would take time in finding and training volunteers, the aim is to have a resolution before Christmas.</li> <li>• It was also explained that despite the closure of the desk, information can still be gained and issues put across via the Wiltshire Police website.</li> </ul> <p>Crossing on Warminster Road (A350) by the Cedar Hotel</p> <ul style="list-style-type: none"> <li>• The following update was provided by Alan Feist, Service Director, Wiltshire Council:  'The previous work to identify a suitable crossing point has been</li> </ul>	

	<p>reviewed following the refusal of planning permission for Westbury Bypass. Engineers are now undertaking work to determine a suitable location for a crossing given the site and traffic conditions. The initial phase of this work has begun and a scheme will be developed to a stage suitable for consultation during the autumn.'</p> <p>Oldfield Park parking project update</p> <ul style="list-style-type: none"> <li>• Alan Feist informed the board that the project would be run as a pilot scheme. This would work with the community to gain their feedback and work together to take the issue forward.</li> <li>• Surveys would be carried out to accurately assess the need and a local steering group will also be formed.</li> </ul> <p>Access from villages to Westbury Youth Centre</p> <ul style="list-style-type: none"> <li>• Sally Willox has made several visits to Matravers School to gain feedback from the pupils, especially those that live in the rural villages, to better understand what problems are faced. Sally also explained that efforts will be made to get out to the villages themselves to gain the same feedback.</li> <li>• Councillor Swabey requested that figures from these findings are brought to a future area board.</li> <li>• One main theme found was that current transportation methods are not used because the young people find these to be too expensive and with timetables that do not suit, however they would use it if free or subsidised.</li> <li>• Councillor Tonge informed the board that a survey of the complete transport system in Wiltshire is due to take place, looking at costs and taking into consideration such factors as young peoples needs. The reports conclusion will then go into next years budget with the aim of finding resolutions to problems such as this.</li> </ul> <p><b>Resolved: that an update on the progress of this be brought to the next area board by Sally Willox. Councillor Tonge agreed to take the message from the young people, to the Cabinet.</b></p> <p>Street Drinking and Anti Social Behaviour in Westbury Town Centre</p> <ul style="list-style-type: none"> <li>• Inspector Minty explained that the police faced two separate factors within this issue. Firstly, street drinkers who start during the day and continue through to night time. Secondly, late night drinkers who are on the streets following closing time and cause violence and anti-social behaviour.</li> <li>• Pippa McVeigh, Head of Crime Reduction, explained that it was her role to look at this problem across the county and finding solutions. There are schemes to address the drinking problems, but there are no quick fixes.</li> </ul>	<p>Sally Willox</p> <p>Councillor Dick Tonge</p>
