

Chairman's Announcements

Market Lavington Youth Club reported they were to hold the first meeting of their new youth club in the old school on 23 September 2011 and then on every Friday evening (excluding the Christmas holiday) until March 2012. The meetings would initially be for 11 to 14 year old children from all the local villages, Easterton, Market Lavington, West Lavington and the Cheverills.

The group thanked Devizes Area Board for their grant which had enabled the purchase of a laptop PC and printer, 32" TV and XBox plus software for the meetings. Cupboards had also been constructed in order to lock away the equipment when it was not in use.

Market Lavington Youth Club would like to thank West Lavington Youth Club for their help in getting the meetings up and running.
