4. Performance and Other Local Issues

The crime figures below show some slight improvements this reporting period.

Whilst there is an 8% decrease overall in crime compared to where we were this time last year (17 reports less) there are some areas of criminality that require our continued attention.

The good news is that violence against the person has decreased by 54% which means that 13 less victims have been assaulted than in the same period last year, and there is also an 11% reduction in the number of anti-social behaviour incidents for Tisbury and the surrounding villages.

Thefts from cars and thefts of cars remains a challenge for us, the figures below show there have been 10 more reports this year when compared to the previous 12 months.

Theft of fuel from both private and farm type premises is also prevalent this month.

It must be remembered that Wiltshire are still the best performing of the 8 similar forces we are consistently compared against. Tisbury continues to be a safe place to live.
