

VICARAGE CLOSE, MARLBOROUGH - PARKING CONTROLS

SUMMARY OF RECOMMENDED AMENDMENTS TO ADVERTISED PROPOSAL

In considering the need for residents and visitors to park over the weekend, the proposed time limited parking could be reduced from a Monday to Saturday restriction to Monday to Friday, but the operational hours remain the same as advertised. This would result in the time restricted parking being operative on the same days as the adjacent single yellow line restriction.

It is also considered that an additional length of 22 metres at the northern end of the road on the western side on the outside of the bend, could be retained for on-street to provide four parking spaces without significantly restricting forward visibility.

These spaces shall be time limited in line with the other time limited bays already proposed. The amended proposals as detailed above are shown on a plan **Appendix 4A**.

All other proposals to be implemented as advertised.
