How did you discover there was a need for your project ( <i>please provide evidence</i> ) and how will your project benefit your local community?  <i>Important: Please do not type/write in paragraphs – This section is limited to 1000 characters only (inclusive of spaces)</i>	Our experience with community events, like Carnival and Xmas Lantern Parade, demonstrates a demand for opportunities that help people to take part in them. Many people lack opportunities to be creative and to participate in activities like this, particularly those living in rural areas. Participating in a well organized, community activity like this can be a rewarding experience - youth organisations and others frequently contact us wanting to take part. There is evidence from here and elsewhere that involvement in community arts activities like this, improves confidence and aids community cohesion and well-being. We wish to extend the offer of workshop training to a wider group, include more village communities and the socially and culturally disadvantaged. This project is much more than an effort to 'improve the carnival'. That it provides real community benefit, and for lots of people, is evidenced by the feedback we receive from participants of these workshops and events.
How many people will benefit from your project?	Directly, around 300
