| <p>We would like to buy some equipment and materials for our youth club for when it re opens in the new year. We have no arts and crafts materials or cooking equipment and ingredients at present and these are activities that the young people I have been working with would like to do. Also they have identified that they would like to buy a new music system as well as the old one no longer works.</p> |

| <p>3. When will the project take place?</p> |
| <p>We are planning to re open the youth club in Zeals in the New Year. Sessions will run on a Wednesday evening from 6 - 8:30pm</p> |
| <p>4. What will be the benefits of the project for the young people involved / the local community (e.g. leading healthier lifestyles / keeping physically healthy, learning new skills, making a positive contribution, access to transport or other services, challenging bullying or discrimination)</p> |
| <p>The youth club in Zeals has been closed for a number of months and there is very little for young people to do. I am working with Zeals Youth Trust and the Youth Workers at Mere to try to re-establish the club. On a personal level this will give me work experience and develop my skills as a youth worker, I can make a positive contribution to the local community as well as more generally providing a facility for local young people. Through a varied programme of activities at the Wednesday night sessions young people will be able to try new activities and develop their own practical and personal skills.</p> |
