Grove Building Church Street Mere

3. When will the project take place?

Early spring 2013

4. What will be the benefits of the project for the young people involved / the local community (e.g. leading healthier lifestyles / keeping physically healthy, learning new skills, making a positive contribution, access to transport or other services, challenging bullying or discrimination)

The Brownies have asked for a circus skills workshop as it is something they are interested in learning.

The Brownie unit is often asked to put on a display and performance at village events, The Church Fete, One World Week, carnival and at local residential homes. The skills learnt would enable us to offer something new and different. If we had some basic equipment we could also offer a 'have a go' session at local events. This could also be loaned to other youth groups in the village.

5. How much funding do you want from the Area Board? (standard grants up to £1000)

£ 306.13

6. List all of the things you need to buy or pay for to run your project (please provide copy of quotes)

£ 200.00 Circus skills workshop (Firestar circus arts)
24.00 Hire of Hall
25.20 Participation badges/certificates (Girlguiding u.k)
24.00 Circus Pack (Amazon)
32.93 Circus skills equipment (Oddballs circus skills supplier)

(please note Wiltshire Council will pay funding to a 'supporter' e.g. youth worker, school, parish council)

7. How will you know your project has been successful?

If the Brownies have been enthused enough to practice and develop the skills learnt and have the confidence to put on a performance.

They are prepared to pass the skills learnt onto others.
