What is your project about and what does it aim to achieve? <i>Important: This section is limited to 600 characters only (inclusive of spaces).</i>	We are a registered charity operating from Marlborough and provide transport into Marlborough from the surrounding district for elderly and disabled people so that they can attend either or both of the two day centres - Jubilee or New Road. Transport is in the form of a minibus that has been converted for wheelchair access. As of March 2013 the lease on the minibus expires and we need to find funds to purchase a replacement. Our aim to raise sufficient funds for the deposit required to purchase a new bus that will be reliable, be more fuel efficient and continue to serve the local community with this essential service for many years to come. We are the only organisation within the Marlborough area to offer this essential service and to meet the individual needs of elderly and disabled people requiring our service.

Unless funding becomes available to purchase a new bus the Marlborough area will lose its only wheelchair accessible community transport.
How many people will benefit from your project?	40 per week
How does your project demonstrate a direct link to the local community plan for your area (see www.wiltshire.gov.uk/areaboards) or priorities of your area board? Please provide a reference/page no.	Our primary aim is to address - ' Inadequate public transport exacerbating rural isolation (P15) - we provide accessible transport to fill gaps in provision. However, we also improve the "provision of on-call transport at low cost for elderly an disabled" (P15) - we could become affiliated to the Link schemes to enhance this service. Our service also address issues raised in the Health and Wellbeing section - Access to Local Health Services (P13) - we regularly take people to attend medical and dental appointments.
Any other information about your project. (Limited to a 1000 characters)	
<p>Kennet Community Transport has served the Marlborough area since 1990. It is a charity that runs a minibus with a lift and fittings to transport people in wheelchairs and with other disabilities, and is the only public transport system in the area so fitted.</p> <p>Its principle role every week day is to bring people who would otherwise be housebound into Marlborough's two day centres - the Jubilee Centre for elderly people and the New Road Centre for people of all ages with disabilities. It takes them home in the afternoon, and sometimes on trips during the day- maybe shopping or to the West Woods bluebells. We also act as transport when required for the other care homes in the area when they require our service to take the residents for day trips out. We are also used by elderly or disabled individuals for dentist or doctors appointments. We provide a unique and irreplaceable service in the locality, completing over 1000 passenger journeys annually.</p>
