

## LATE ADDITIONAL ITEM

### **SOUTH WEST WILTSHIRE AREA BOARD (13 March 2013)**

#### **Community Area Transport Group allocated funding report**

#### **1. Purpose of the Report**

1.1. This report deals with the proposals from the South West Wiltshire Community Area Transport Group (CATG). The most recent meeting was held on 28 February 2013 at Dinton Village Hall.

#### **2. Background**

2.1. The South West Wiltshire Area Board had a total of £31,527 available for CATG projects in 2012/13, including some projects carried forward from 2011/12. At the time of writing this report there is a total remaining of £3,500.

2.2. The CATG is the mechanism whereby Councillors, Parish Councils and Highways officers can discuss and prioritise how the money is spent. This process requires all stakeholders to be proactive in assessing local needs.

#### **3. Main Considerations**

3.1. The CATG met on 28 February 2013 (see attendance list at bottom of the report) and considered new schemes for funding out of the remaining budget:

| <b>Scheme</b>  | <b>Estimated Total Cost</b> | <b>Amount Allocated by CATG</b> | <b>Notes and Actions Required</b>  |
|--|-----------------------------|---------------------------------|--|
| Topographical survey for junction in Tuckingmill, West Tisbury | £1,000                      | £800                            | £200 contribution to be requested from West Tisbury Parish Council   |
| New bus shelter in Bowerchalke                                 | £945                        | £472.50                         | CATG agreed in principle to support this scheme on 15.1.13. Since the meeting on 28.2.13, Highways officers have met with the local Parish Council and agreed that the scheme is viable to proceed. Any award of funding is subject to a quote for the work being provided |
| <b>Total</b>   | <b>£1,945</b>               | <b>£1,272.50</b>                |  |
