

Report to	Corsham Area Board
Date of Meeting	23 May 2013
Title of Report	Area Board Grants

Purpose of Report

To ask councillors to consider one application seeking 2013/14 community area grant funding.

1. Colerne Old School Playgroup – To consider awarding £1,500 towards a total project cost of £3,000 to install an interactive smart board.

1. Background

- 1.1. Area boards have authority to approve area grants under powers delegated to them by the Deputy Leader and Cabinet member for Adult Care, Communities and Housing (5 April 2013). Under the Scheme of Delegation Area Boards must adhere to the Area Board Grants Guidance 2013/2014. [Area Board Grants Guidance 2013/2014](#).
- 1.2. In accordance with the Scheme of Delegation, any decision of an area board that is contrary to the funding criteria and/or the officer's recommendation would need to demonstrate that the application in question has a wider community benefit, and give specific reasons for why this should justify an exception to the criteria.
- 1.3. The emphasis in the coalition government's localism agenda supports the ethos of volunteering and community involvement and the nurturing of resilient communities. With this in mind Community Area Grants (CAGs) should be encouraged from and awarded to community and voluntary groups.
- 1.4. Corsham Area Board has been allocated a 2013/2014 budget of £53,418 for community grants, digital literacy projects, area board operational funding, community partnership core funding, and area board/councillor led initiatives. In 2013/14 only capital funding is available for community area and digital literacy grants.
- 1.5. Applications of up to and including £500 can be made for a community area grant, which will not require matched funding. Amounts of £500 - £5000 will be required to find matched funding. The area board will rarely award more than £5,000.
- 1.6. Area boards will not consider community area grant (CAG) applications from town and parish councils for purposes that relate to their statutory duties or powers that should be funded from the local town/parish precept. However this does not preclude bids from town/parish councils, encouraging community projects that provide new opportunities for local people or those functions that are not the sole responsibility of the town/parish council.
- 1.7. In addition to CAGs, councillors can submit an area board/councillor led initiative. This enables area boards to tackle sticky community issues and/or community identified priorities. Cabinet have emphasised that they do not wish these to be used to avoid complying with community area grant criteria or for filling gaps where there are council service shortfalls.
- 1.8. Officers are required to provide recommendations in their funding reports (except in the case of area board/councillor led initiatives), although the decision to support applications is made by Wiltshire councillors on the area board. Grants of up to £500 are available for digital literacy projects.

- 1.9. Funding applications will be considered at every area board meeting whilst there is money available.
- 1.10. New for 2013/14 is a single on-line application process for community area grants (CAG) and digital literacy grants, introduced to provide an easy step by step application process. The application process and funding criteria can be found [here](#).
- 1.11. All recipients of area board funding are expected to complete an evaluation form as soon as the project has been completed and provide receipts if requested. Groups are encouraged to up-load information and photographs about their project on to their area board [blogsite](#). Failure to evaluate projects will preclude applicants/organisations being considered for future funding.
