Wiltshire Police are compared against a group of 8 most similar forces. Wiltshire Police have performed in line with peers and better than average for Victim Based Crime and significantly better than peers for Domestic Burglary in the previous 12 month period (April 2012 - March 2013).

\*Detections include both Sanction Detections and Local Resolutions

The crime figures for this reporting period show continued good performance with reported crime across all crime types being comparable to the figures recorded this time last year. The differences remain in single figures.

Criminal damage remains an issue and continues to be with regards to mindless acts of vandalism.
