

Update for Pewsey Area Board

Update from	Woodborough Parish Council
Date of Area Board Meeting	9 th September 2013

Headlines/Key Issues

- 20 mph zone around School / Smithy Lane Crossroads
-
- Significant Flooding problems at Smithy Lane crossroads
-
- Development of Village Plan

Projects

- 20 mph zone - - discussions with all parties are moving ahead. It is hoped that a favourable decision will be made soon. All parties (Parish Council, Woodborough Road Safety Group, CATG & Wilts Council) are involved.
-
- There are other flooding problems in the village but the significant location is at the Smithy La. crossroads. All parties have been alerted but action is too slow. A sketch of the drainage points is attached showing why the water collects as it does. Photographs are also attached.
We await advice and action from Wilts Council.
-
- The Village Plan Questionnaire has been distributed to all households. With a 35% response we are now in a position to incorporate the views and opinions into our plan. A draft plan will be produced for the villagers. Eventually we will publish the plan and lodge it with Wilts Council.

Signed: Jim Fletcher (Cllr)
