

Update for Devizes Area Board

Update from	Devizes Community Area YAG
Date of Area Board Meeting	25/11/2013

Headlines/Key Issues

- Following the start of the new locality team leader for the Devizes community area the YAG is taking new form. We have new youth members and are looking forward to the challenges ahead.
-

- Our latest projects of interest are:
 - Improving perceptions of young people within the community: bridging the gap between the ages, as well as working with shop owners and security to improve relations with young people.
 - Improvements to the connections of Devizes and Potterne to increase safety for young people commuting between two areas.
-

- Our next meeting takes place on Wednesday 4th December 2013. 18:00 at the Estcourt Crescent rooms (what used to be Little Bears nursery). If anyone wishes to join us or has an interest/expertise in any of the above your support would be warmly welcomed.
