ID: 495 – Lansdowne Hall

1. Which type of grant are you applying for?
Digital Literacy Grant

2. Amount of funding required?
£0 - £500

3. Are you applying on behalf of a Parish Council?
No

4. If yes, please state why this project cannot be funded from the Parish Precept

5. Project title?
Lansdowne Hall Digital Projector project

6. Project summary:
To provide a short throw digital projector to be mounted specifically in one meeting room, so it is ready to use but safe at the same time. This room is used for many meetings and it is hoped in future for Children\'s Film Club run by a group of villagers in a not for profit way. It will also be available for the Parish Council and Management Committee to use at their meetings. We are also hoping to encourage a digital Literacy Group to start in the Hall which would be able to use this kit for demonstrations of software etc. The Hall is used during the Derry Hill and Studley Fete and this room is sometimes use for children\'s digital games on this occasion.

7. Which Area Board are you applying to?
Calne

Electoral Division
Calne Rural

8. What is the Post Code of where the project is taking place?
SN11 9QY

9. Please tell us which theme(s) your project supports:
Children & Young People
Arts, crafts and culture
Economy, enterprise and jobs
Festivals, pageants, fetes and fayres
Health, lifestyle and wellbeing
Inclusion, diversity and community spirit
Safer communities
Technology & Digital literacy

If Other (please specify) LOCAL GOVERNMENT

10. Finance:

10a. Your Organisation's Finance:

Your latest accounts:
12/2012

Total Income:
£31146

Total Expenditure:
£38217

Surplus/Deficit for the year:
£7071

Free reserves currently held:
(money not committed to other projects/operating costs)
£26032

Why can't you fund this project from your reserves:
The Village hall is a physically large building, and busy one, so sufficient funds have to be kept to meet unexpected building repairs etc. I.e. it is a contingency fund.

We are a small community group and do not have annual accounts or it is our first year:

10b. Project Finance:

Total Project cost	£498.29
Total required from Area Board	£498.29

Expenditure (Itemised expenditure)	£	Income (Itemised income)	Tick if income confirmed	£
Short throw projector	461.39			
Projector mount	24.90			
Cables	12.00			
Total	**£498.29**			**£0**

11. Have you or do you intend to apply for a grant from another area board within this financial year?
No
12. If so, which Area Boards?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?
WHO: Meetings of various clubs and societies, including NCT, Neighbourhood Planning, Parish Council, Hall Management Committee, Youth Club, Children\'s Film club, Digital Literacy classes. Villages Fete. HOW: Most meetings struggle to set up their own digital displays in time for their meeting and often do without. With permanent digital enhancement

available, meetings will be able to benefit from good visual displays and better communication as a result. It will encourage other groups to start as the facility is already there to encourage volunteers to get started with a new project.

14. How will you monitor this?
The creation of new oportunities for new clubs such as Children\'s film club and Digital Literacy Classes.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?
The Hall will cover the replacement bulbs and any other upkeep.

16. If this application forms part of a larger project (eg. building of new village hall), please state what this project is and approximately how much the overall project will cost.
N/A

1. Which type of grant are you applying for?
Community Area Grant

2. Amount of funding required?
£501 - £5000

3. Are you applying on behalf of a Parish Council?
No

4. If yes, please state why this project cannot be funded from the Parish Precept

5. Project title?
Calne Springs Forward: Town Team Market

6. Project summary:
Purchase of additional gazebos for the monthly market in the Calne, Phelps Parade. This market is targeted towards the promotion of local independent business; stalls are provided at low-cost to generate interest in the town centre, and offer an attraction for residents and visitors. Stalls are varied and include fairtrade goods, crafts, organic and farm foods, as well as a range of more traditional market wares. The Town Team is committed to a growing range of initiatives to reinvigorate the town centre and enhance the day and night-time economies. Any monies raised are reinvested back into the community.

7. Which Area Board are you applying to?

No

12. If so, which Area Boards?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?
The monthly Saturday market has been running for 9 months under the auspices of Calne Springs Community Interest Company (CIC)and was previously run as a joint initiative between Calne Town Council and Calne \'Town Team\'. There is a varied attendance of stallholders, but usually 8/9, with some of them providing their own gazebos. As the market has grown there is more demand for space and stalls, currently limited by the number of gazebos available. This project is already shown to benefit a number of groups and has the potential to do much more with the correct amount and quality of equipment: - The community will benefit from the increased sense of \'event\' in the town centre and will have greater reason to come into the town centre at weekends. - Small independent business from across the community area will benefit from greater exposure in the town and more opportunities to have a regular High Street presence. - Consumers will benefit from having an even wider retail offer on the High Street at these monthly markets - Businesses located in the town centre will benefit from the additional footfall attracted by the markets, especially as the

offer and range is increased - The reputation of Calne as an area that is proactive and community-led will grow, attracting increased visitor numbers.

14. How will you monitor this?
- Record visitor numbers - Monitor range of businesses attracted - Ensure variety in the range of stalls available, and opportunities for smaller, start-up businesses

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?
The market is planned to be a long-term feature of the town centre. This funding will enable the extension of market. The maintenance and storage of the gazebos will be arranged by the Calne Springs CIC in partnership with the Town Council. The Town Council supports the market with set-up, advertising and storage.

16. If this application forms part of a larger project (eg. building of new village hall), please state what this project is and approximately how much the overall project will cost.

No
12. If so, which Area Boards?

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?
On the 10th October 2013 a workshop was organised involving businesses from Portemarsh Industrial Estate, Calne Town Council, Wiltshire Council, Calne Chamber of Commerce and other key stakeholders. The purpose of the meeting was to discuss issues experienced on the Industrial Estate, and to look at possible solutions. A number of key issues were raised at this workshop, including for example; security, signage, environmental health issues, encroaching residential developments etc. The consensus from those attending the workshop was that the

best way forward to address these issues was to form a site working group to raise concerns and take action on addressing them. The first working group meeting was held on the 11th November 2013 and one of the resolutions was to enhance signage on the industrial estate to improve awareness and visibility of businesses and areas of the estate. This is intended to raise the profile of businesses on the estate and help improve the functionality of this important employment site. Clear signs would be erected at key areas on the site giving directions to estate areas. New signage will also improve the appearance and attractiveness of the industrial estate.

14. How will you monitor this?
A business working group has been set up to communicate and address issues on the industrial estate. Wiltshire Council and the Town Council form part of the working group

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?
n/a

No

12. If so, which Area Boards?
Calne

13. Please tell us WHO will benefit and HOW they will benefit from your project benefit your local community?
Background Twinning is a concept where towns from geographically and politically distinct areas are linked with the goal of fostering human contact and cultural links. Town twinning

started after the Second World War as a way of building strong links and friendships with communities in other countries to avoid another war, and create a stronger more unified Europe. Twinning not only allows local governments to work closely together, but also helps people from different cultures and backgrounds understand each other. The Calne and District Twinning Association was founded in 1970 when Calne became linked with Charlieu, France. Since then Calne has become twinned with Caln Township, Pennsylvania, USA in 1982 and with Eningen-unter-Achalm, Germany in 1988. The Association encourages cultural activities (such as music, singing, theatre and dance), social exchanges, especially between families and groups and sporting activities, with the involvement of clubs and societies to encourage exchanges through sport. These are all of benefit to the wider community. Unfortunately the membership of the Association has dwindled in recent years. The Association encourages trade and tourism to the town and supports local businesses and events. Without the Twinning Association we would lose this. The flags would help to promote the Association with the aim being to recruit new members and become involved with a wider audience. Local schools have already been approached and invited to join in the Association's activities and social media is being used to promote activities. The Association attends community events such as the Winter Festival and Summer Festival and Carnival with a stall and information on Twinning. The proposal is to purchase some flags to help raise Calne Twinning Association's profile at functions and to catch the eye of potential new members so they might visit the stand and see what we have to offer. Costing 2 x Sail flags £84.99 each 4 x mini-flags £17.50 each 1 x carry case £9.50 Carriage £9.50 Total £258.98 ex VAT (£310.78 including VAT) Solutions 1. Do nothing i.e. The Association continues without the banners BENEFITS – No cost. DISADVANTAGES - Membership will continue to decline with the eventual loss of the Association meaning the loss of tourism from our twin towns & lack of support for local events such as the Town Criers competition which was very well supported last year by the Association. 2. Produce own marketing material. BENEFITS – leaflets etc. can be quickly produced at home. DISADVANTAGES – Cost, material may look unprofessional/homemade and not project the right image, printed leaflets not eye-catching enough and fail to attract people to stall. 3. Purchase the banners/flags. BENEFITS Projects a professional image, eye catching, attracts new members DISADVANTAGES – Cost. Preserving the Calne Twinning Association with benefit the wider community of Calne.

14. How will you monitor this?
We will monitor membership numbers and also number of visitors/expressions of interest at events.

15. If your project will continue after the Wiltshire Council funding runs out, how will you continue to fund it?
N/A - it is a one-off capital cost.

16. If this application forms part of a larger project (eg. building of new village hall), please state what this project is and approximately how much the overall project will cost.
N/A
