

Update for Chippenham Area Board

Update From: **Kington Langley Parish Council**

Date of Area Board Meeting: **28 April 2014**

Headlines:

- School parking has become a concern to the Parish Council and its community - the area becomes very congested during school starting/finishing times. Ways to alleviate this are being looked into and will be an agenda item for the next Parish Council meeting.
-

- Drainage issues are ongoing - a meeting was held with Danny Everett - a proposal to rectify the problems at Silver Street/Fairleigh Rise is awaited. .
-

- The area of the A350 by Pretty Chimneys is of concern to members due to the danger of crossing the road. Following a site meeting with Wiltshire Cllr Greenman, W C Martin Rose together with two members of the Parish Council - costings are being sought and it is hoped that a lot of cost can be saved by the work coinciding with grass cutting on the central verge.
-

- The pavilion sited at the Kington Langley Playing field needs refurbishing - options are being investigated.
-

- It was disappointing to be informed that The Plough Public House was not accepted as a Community Asset.
-

- The Parish Council continues to take an interest in all planning applications relating to Kington Langley. It is much appreciated that the Officers extend time limits for comments when the limits do not coincide with parish council meetings.
-

- The Parish Council would be interested to know if parish council clustering/merging is a subject of discussion within Wiltshire Council.
-

- The move to make the KSM Road 50MPH was well received.
-

- Kington Langley held its Annual Parish Meeting on the 8th April and was well attended (32)
-

- Future meeting dates: 14th April, 12th May (AMPC), 9th June, 14th July, 11th August, 15th September, 13th October, 17th November and 8th December.
