How did you discover there was a need for your project and how will your project benefit your local community?

Important: Please do not type in paragraphs – This section is limited to 1200 characters only (inclusive of spaces)

The area board was initially approved by the Royal British Legion which needs a PA system for the Remembrance Parade in November 2010 - their previous equipment is old and ineffective. The RBL representative suggested it might be most appropriate if a mobile PA system were held by the town council for use by the community.

Any other information about your project.

The town council is often approached by local groups/schools asking for use of a mobile PA system. The town council currently has an internal fixed PA system which is not suitable for external use. The new equipment would be beneficial to the Westbury community.
