This club will provide opportunities for positive activities for children and young people within the local community, taking action to reduce crime and anti-social behaviour in South Wiltshire. It will also give opportunities to enrich the younger community in Downton and the surrounding areas.

**How did you discover there was a need for your project and how will your project benefit your local community?**

**Important: Please do not type in paragraphs – This section is limited to 1200 characters only (inclusive of spaces)**

**As a keen netball player, I was disappointed to discover that there were only 2 other juniors netball clubs in Salisbury and the South Wiltshire area. Downton has a population of approximately 3,000 people, the club would not only cater for girls in the Downton area, it would reach the villages of Redlynch, Woodfalls, Landford, Whiteparish etc. With this in mind, there is potential for a vast amount of girls having an accessible club in the local community. The Trafalgar School at Downton currently has 552 children aged 11-16 years. Assuming approximately 50% of which are girls, the potential for a club that would be accessible after school, and within 5 minutes walking distance from the leisure centre would be vast. This club has the full support from the Leisure Centre, the Regional Development Manager at England Netball, the Sports Development Officer for Wiltshire and the School Sports Coordinator for this area.**

**Any other information about your project.**

The club will be formed by Helena Dowding who will initially take on the roles of Chairperson, Treasurer and Head Coach. After a few years out from playing netball, Helena rejoined the back to netball scheme in Downton. We have a thriving newly formed club called the Downton Diamonds, but there is an obvious need to provide netball for juniors in the local area. Since rejoining the club, Helena has attended a beginners umpiring course and is due to complete her UKCC Level 2 Netball coaching course to enable her to provide coaching to juniors in the local area. The hope is to engage young girls in sport, to improve health, well being, self confidence and the ability to pursue their passion for netball into the future.

### 3 - Management

**How many people are involved in the management of your group/organisation?**

**Of these, how many are:**

<b>Over 50 years</b>	<b>Male</b>	<input type="text" value="2"/>	<b>Female</b>	<input type="text"/>
<b>25 – 50 years</b>	<b>Male</b>	<input type="text" value="2"/>	<b>Female</b>	<input type="text"/>
<b>Under 25 years</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text" value="3"/>
<b>Disabled People</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text"/>
<b>Black and Minority Ethnic people</b>	<b>Male</b>	<input type="text"/>	<b>Female</b>	<input type="text"/>

**If your project is intended to continue after the Wiltshire Council funding runs out, how will you continue to fund it?**

The club will ensure its sustainability by charging annual membership to pay for Umpiring costs, affiliation and hopefully league entry. Additionally, each member will be asked to pay weekly subs of £1.50 to help pay for coaching costs etc. Also the use of the Leisure Centre's facilities should also enable the club to stay sustainable for the future.

**If you were not awarded the full amount requested, what would be the impact on your project?**

We would be unable to provide the club with the necessary equipment, club kit and the opportunity to deliver coaching sessions to girls aged 11-18 years. We would also be unable to promote and advertise the club effectively in order to attract new members to the club.

**How will you know whether your project has made a difference in the community?**

The project will make a difference in the community, by the increased numbers of girls taking up netball and the increased development of self confidence and personal achievements. We will also be actively seeking young leaders from the Trafalgar School to assist in delivering the sessions.
