<p>Our hall is very well used for meetings and groups/ events by the wider community, not just Rushall and Charlton.</p> <p>We have a variety of one off events as well as groups that span the whole age range. i.e Pewsey Children's Centres toy library, exercise classes for the over 50's called extend, keep fit and dance classes etc, alongside side Bingo's, Coffee mornings, short mat bowls and a gardening club to name a few.</p> <p>Numbers are hard to predict but nearly all activities in the hall are well attended. When we do door to door flyer drops for events we go to approximatley 140 houses just in the two villages</p> <p>The village hall is the hub of the village, alongside the school. It is a meeting place for the residence to come along and we have a very good community spirit within both villages.</p>	

**Wiltshire Council will be unable to meet the ongoing costs of your project. Please describe, therefore, how you will ensure the financial sustainability of your project beyond the period of this grant (if successful)?**

The ongoing cost of our project is met by regular bookings and also regular fundraising by the committee. we put a lot in to the hall and are very proud of our efforts. At present we are saving to get some more new chairs and more kitchen equipment.

**3 – Additional information to support and strengthen your application e.g consultation, community involvement, energy efficiency measures**

**Please tell us more about the organisations and groups that are involved in your project, who will benefit from the award and how will you know that it is making a difference.**

We feel it is important to replace the Burco , mainly on health and safety grounds, if there are a lot of people in the hall kettles are not enough. We have no safe place for the burco and then we have to empty it after use - sometimes this means walking around with jug fulls of hot water. Having a wall mounted heater will stop the risk of anyone scaling themselves and also help us to conserve water and we willonly use what we need.

The Handrieres will help with cross-infection issues and will also help us to reduce our waste. We get through a lot of parer towels each week, which is quite costly and fills our bins up quickly!
