4. Performance and Other Local Issues

I have received numerous enquiries with regard to the disbandment of the Wiltshire Camera Road Safety Unit (CRSU). I would like to take this opportunity to reassure the community that although you will no longer see a mobile speed camera van parked in your village, you will still have the enforcement options of the Wiltshire Roads Policing Unit and my own Area Officers. On the 7th of September 2010, all my Community Beat Managers were trained in the use of two types of hand held speed detection devices, thereby enabling them to tackle speed offences in your town and villages.

I would also like to reassure you that the closure of the CRSU does not change any of the processes around Community Speed Watch. Therefore if you operate a Community Speed Watch scheme in your area, you are able to continue to do so. If you would like to adopt the scheme, you are also able to do so. We have had some

outstanding results in Dauntsey over recent weeks, namely five drivers were monitored on three separate occasions exceeding the speed limit. The vehicle details were passed to the Wiltshire Police Roads Policing Unit who targeted these drivers, the result of which was three being caught speeding and issued with fines and penalty points on their driving licences.

Final Note

With the last few weeks of the warm weather in front of us, there is still a possibility of seeing an increase in opportunist burglaries. This is often due to windows being left wide open with no person being present in the property, offenders are able to enter a property quickly and remove easily obtainable items such as handbags, laptops etc.

There are 2 areas where all the community can help reduce this type of offence:

- Report any suspicious activity to police as soon as possible.
- Always close and lock all windows and doors when you are not in the room, especially when leaving the house or in the garden. Double-check that doors and windows are locked at night before you go to bed.

Please do all that you can to stop thieves targeting your homes? Prevention is always better than cure!
