Chairman's Announcement

Wiltshire Intelligence Network

New Research Website Launched

A new website has been created to provide access to a wide variety of information and research for Wiltshire. The new site, www.intelligencenetwork.org.uk, is available to all and aims to support planners and policy makers, community leaders and politicians, voluntary groups and the general public in using accurate data to make informed decisions. A broad range of information is available, organised into the following topic themes:

- Consultation
- Local Area Profiles
- Population & Census
- Health & Wellbeing
- Education & Skills
- Economy
- Crime & Community Safety
- Community
- Planning & Housing
- Transport & Communications
- Environment, Climate Change, Waste & Recycling
- Culture, Leisure & Tourism.

The content of the site will continue to grow over the coming months and the research team is keen to hear any suggestions for content that people would like to see on the site. The site was developed by Wiltshire Council's corporate research team in the Department of Public Health and Wellbeing, in conjunction with the South West Observatory and working in partnership with NHS Wiltshire and Wiltshire Police.
