

Report to	South West Wiltshire Area Board
Date of Meeting	25 March 2015
Title of Report	Area Board Funding

Purpose of Report

To ask councillors to consider applications in respect to;

Community Area Grants (all conditional on the balance of funding being in place):

1. Ebbesbourne Wake Village Hall Management Committee - £3,164 towards installation of IT, sound and lighting improvements.
2. Kilmington & Stourton Cricket Club - £1,450 towards an electronic scoreboard.
3. Compton Chamberlayne Cricket Club - £850 towards a new mower.

1. Background

- 1.1. The Localism agenda supports the ethos of volunteering and community involvement and the nurturing of resilient communities. With this in mind Community Area Grants (CAGs) should be encouraged from and awarded to community and voluntary groups.
- 1.2. The area board may want to link funding to local priorities, including those identified in their Community Plan, Local Area Joint Strategic Assessment and any other community based consultative work.
- 1.3. South West Wiltshire Area Board was originally allocated a 2014/2015 budget of **£56,822** for community area grants, digital literacy grants, community partnership core funding, area board operational funding and area board/councillor led initiatives. This has subsequently been revised to a budget of **£74,511**.
- 1.4. In addition to CAGs and digital literacy grants councillors can submit an Area Board/Councillor Led Initiative. This enables area boards to tackle sticky community issues and/or community identified priorities. Cabinet have emphasised that they do not wish these to be used to avoid complying with Community Area Grant criteria or for filling gaps where there are council service shortfalls.
- 1.5. In support of the ongoing Olympic and Paralympic legacy, in 2014/15 the South West Wiltshire Area Board invites applications that encourage young people and people with disabilities to become more actively involved in sports, outdoor activities, recreation, arts and volunteering.
- 1.6. Applications of up to and including £1,000 can be made for a Community Area Grant, which will not require matched funding. Amounts of £1,001 - £5,000 will be required to find matched funding. The area board will rarely award more than £5,000. Grants of up to £500 are available for Digital Literacy projects.
- 1.7. There is a single on-line application process for Community Area Grants (CAG) and Digital Literacy grants to provide an easy step by step application process. The application process can be found [here](#).
- 1.8. Area boards will not consider CAG applications from town and parish councils for purposes that relate to their statutory duties or powers that should be funded from the local town/parish precept. However this does not preclude bids from town/parish councils, encouraging community projects that provide new opportunities for local people or those functions that are not the sole responsibility of the town/parish council.
- 1.9. The decision to support applications is made by Wiltshire councillors

on the area board.

- 1.10. Funding applications will be considered at every Area Board meeting whilst there is money available.
- 1.11. All recipients of area board funding are expected to complete an evaluation form as soon as the project has been completed and provide receipts if requested. Groups are encouraged to up-load information and photographs about their project on to their [area board blogsite](#). Failure to evaluate projects will preclude applicants/organisations being considered for future funding.
