Q2: In which area is your GP practice based?

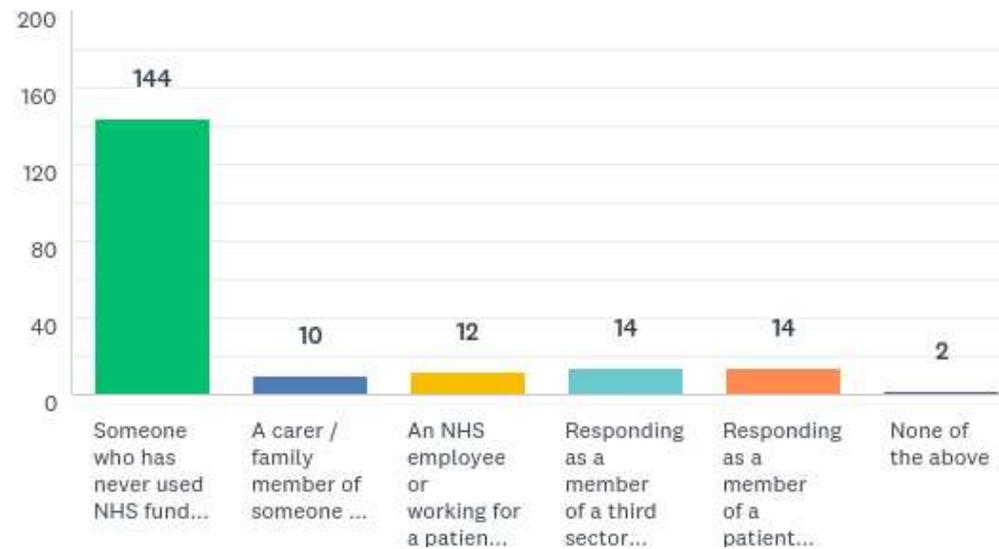

Q3: Are you someone who has used NHS funded non-emergency patient transport in the last year

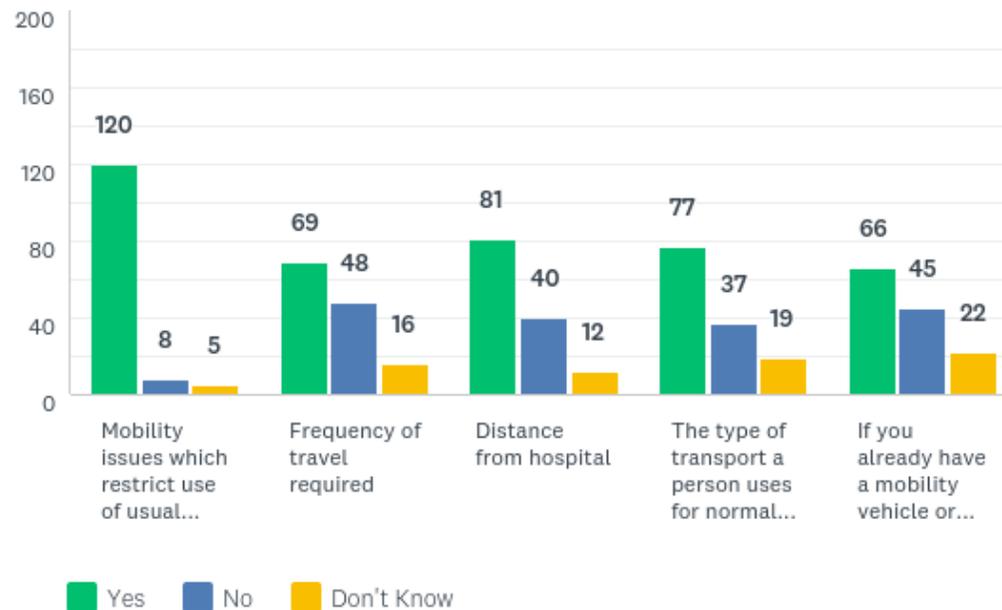

Q3a: If you have said yes to Q3 are you:

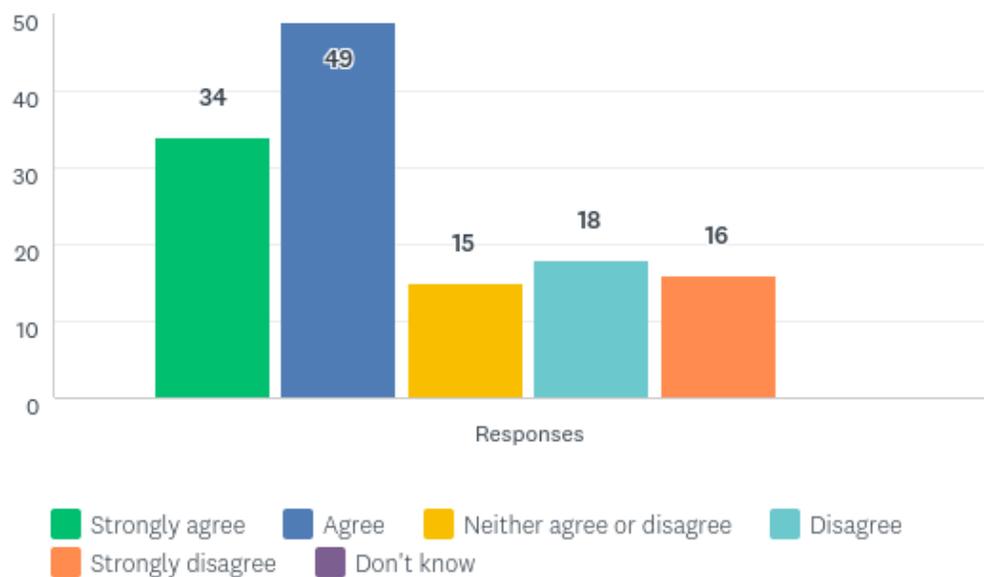

Q4: Are you? (you may tick more than one box)

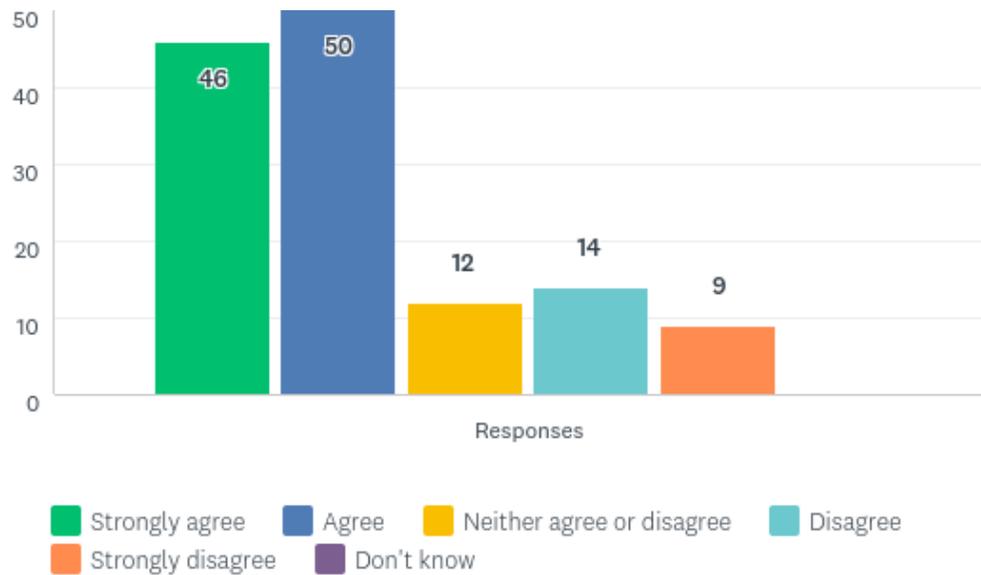

Q5: Eligibility is currently based on medical condition, what other factors do you think need to be taken into consideration? (for each factor please select yes, no or don't know)

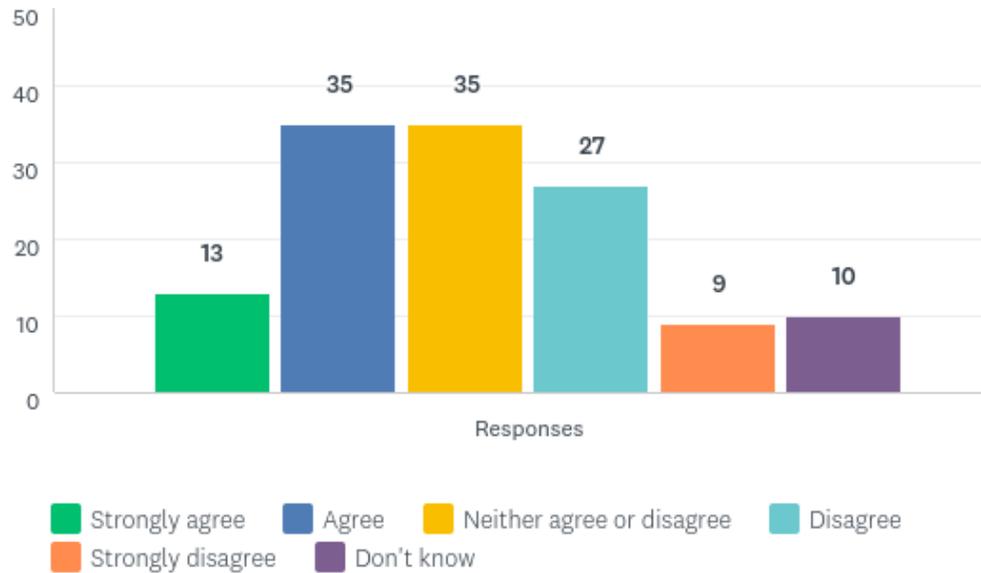

Q6: People who are able to make their own way to or from other appointments including hospital (e.g. driving themselves, being driven by friends, neighbours, family or voluntary services, or able to use public transport) should normally be assessed as NOT eligible for NHS funded non-emergency patient transport (tick one)

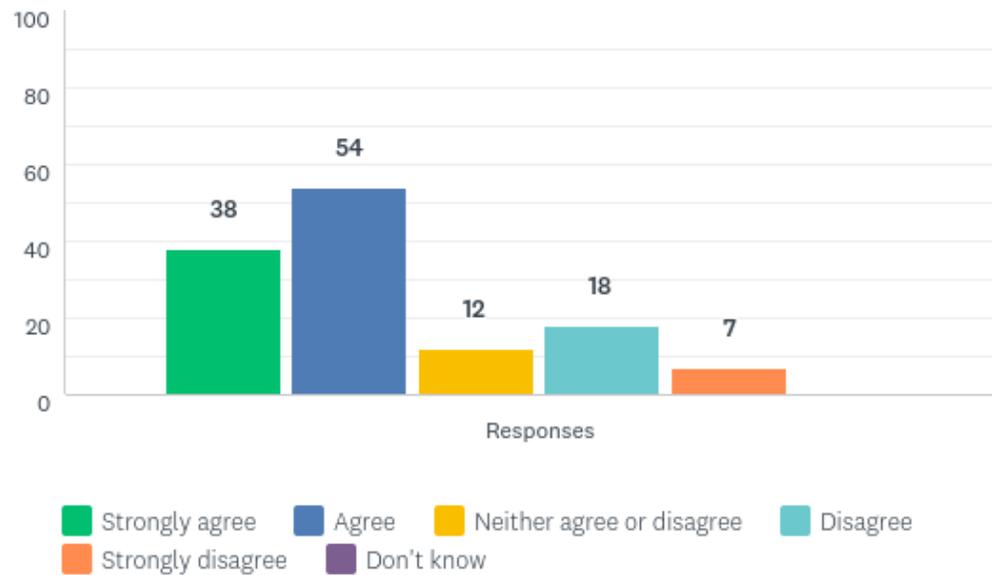

Q7: NHS funded non-emergency patient transport should be available only to people who need it for a medical reason, that is, they cannot travel safely by any other means (tick one)

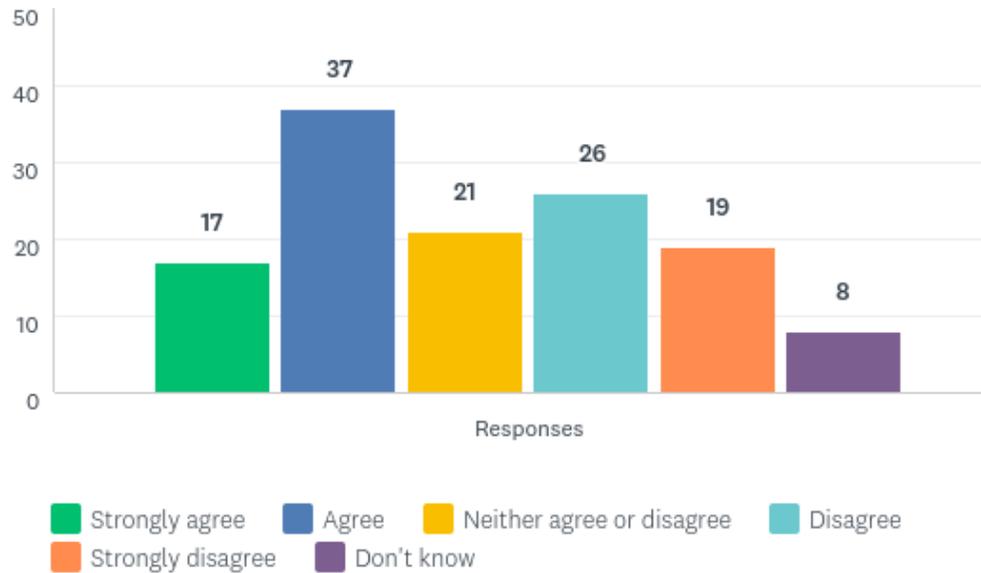

Q8: People should be entitled to NHS funded non-emergency patient transport if they need help getting to and from the vehicle, that is, they have no particular medical or mobility need for the transport journey itself (tick one)

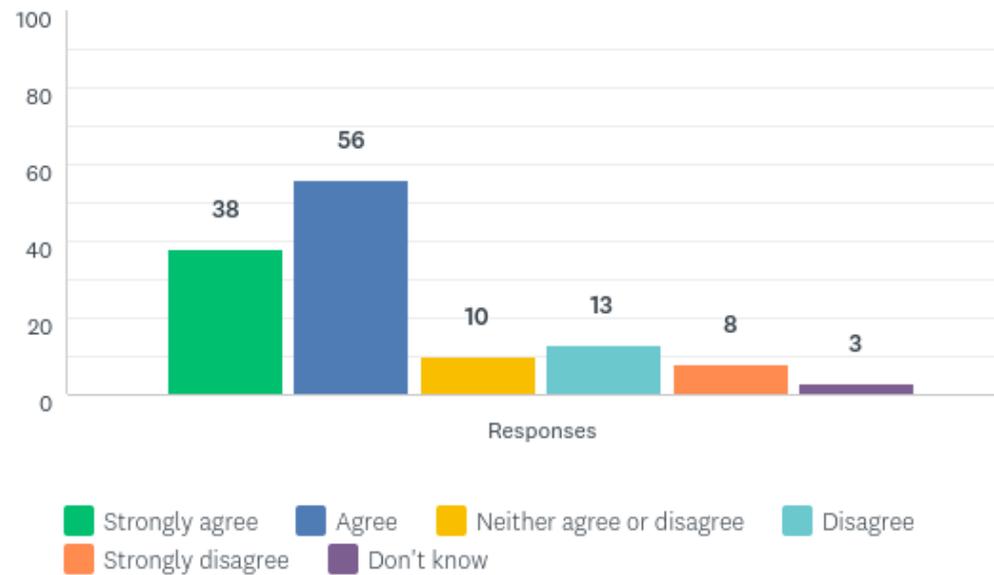

Q9: NHS funded non-emergency patient transport should not be available to people if they are able to travel safely by private car or public transport (tick one)

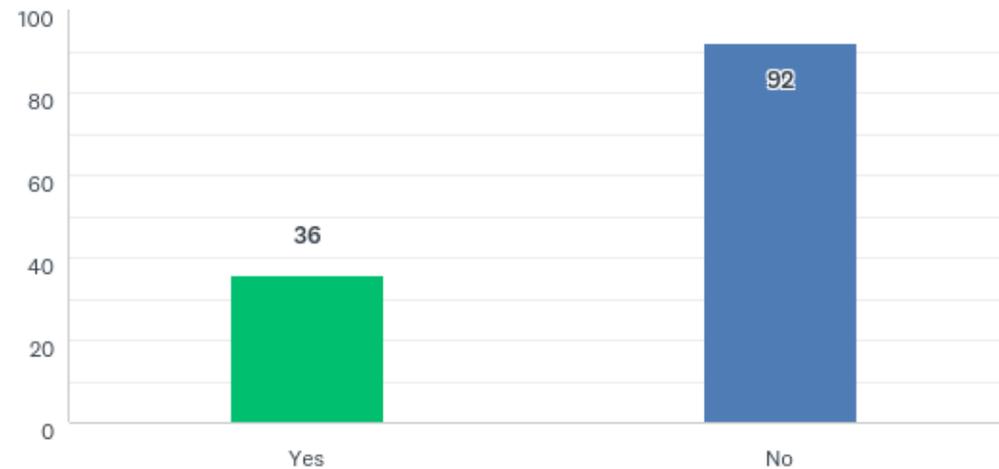

Q10: People who have a mobility vehicle, or similar, or who are in receipt of a higher level mobility payment should also be eligible to receive NHS funded non-emergency patient transport (tick one)

Q11: The same eligibility assessment for NHS funded non-emergency patient transport should be applied equally to all (tick one)

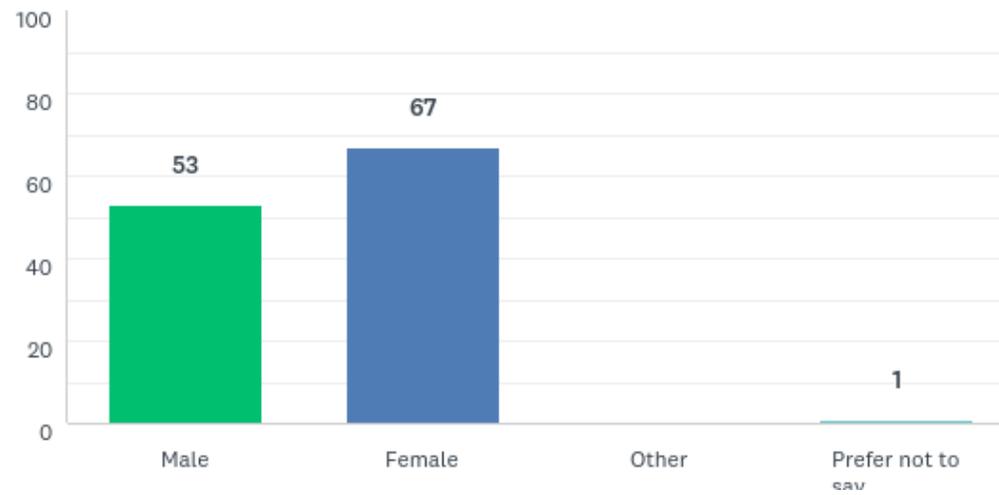

Q12: Some people who are not eligible for NHS funded non-emergency patient transport but who are either on a low income or in receipt of specific benefits may be eligible to claim travel costs under the Healthcare Travel Cost Scheme (HTCS). Are you aware of this scheme?

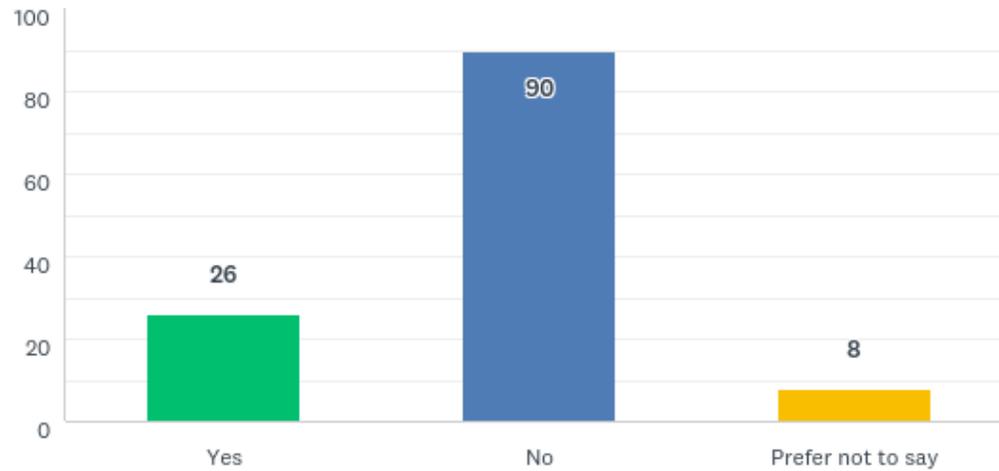

Q13: If you have any suggestions or comments, including how we can support people to make alternative plans to get to their hospital appointment rather than rely on NHS funded non-emergency patient transport, please note them here.
