PROCEDURAL RULES FOR THE HEARING OF LICENSING ACT 2003 APPLICATIONS

1 Purpose

- 1.1 These rules have been prepared to facilitate proper consideration of licence applications, made under the Licensing Act 2003, by the Licensing Committee and its Sub Committees.
- 1.2 The rules set out a framework for how applications are to be heard and explain the role of the participants at the Hearing.

2 Definitions

- 2.1 The following definitions describe the participants at and the subject matter of a Hearing:

“Applicant” means the person who has submitted an Application for consideration by the Committee.

“Applicant’s Representative” means a person attending a Hearing to assist or represent an Applicant including a lawyer.

“Application” means an application for the Grant/Variation/Transfer/Review and any other decision to be made by the Committee/Sub-Committee in respect of a Licence.

“Chairperson” means the Member who is the Chairperson of the Committee for the particular Hearing.

“Committee” means the Council’s Licensing Committee and includes any Sub Committee of the Licensing Committee.

“Committee Lawyer” means the Council’s Lawyer (including an external Lawyer instructed by the Council’s Legal & Democratic Services Manager) who is present at a Hearing to advise the Chairperson and the Members.

3 Key Principles

- 3.1 The principles of ‘natural justice’, and Article 6 ‘Right to a Fair Trial’, which is one of the Convention Rights in the Human Rights Act 1998, require that there is a fair Hearing of Applications.
- 3.2 Natural justice is an umbrella term for the legal standards of basic fairness. This will include that:
 - 3.2.1 the Applicant has an opportunity to make representations before a decision is made;
 - 3.2.2 those making representations have an opportunity to voice their representations before a decision is made;
 - 3.2.3 the Applicant has an adequate opportunity to consider and respond to any submissions made by a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation;

- 3.2.4 the Committee does not exclude an Applicant from a Hearing in order to consider submissions from a Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation.
- 3.3 It is also fundamental that there is an orderly presentation of submissions at a Hearing so that the relevant issues are properly understood, evidence is tested and that oral statements made at the Hearing are accurately recorded.
- 3.4 Ultimately the Chairperson determines the application of these rules, having regard to any submissions being made by those present and in particular the Committee Lawyer.

4 The Hearing

- 4.1 The Hearing shall take place in public.
- 4.1.1 The Committee may exclude the public from all or part of the Hearing where it considers it to be in the public interest to do so and, in accordance with the Local Government (Access to Information) Act 1985, as amended. Public includes a party and any person assisting or representing a party.
- 4.1.2 The Committee may require any person attending the Hearing who, in its opinion, is behaving in a disruptive manner, to leave the Hearing and may:
- A refuse to permit them to return;
 - B permit them to return only on such conditions as the Committee may specify;
 - C in the event that a person is required to leave a Hearing that person may, before the end of the Hearing, submit to the Committee in writing any information which they would have given orally.
- 4.2 Prior to the Hearing commencing, the Chairperson shall advise the parties of the procedure it proposes to follow at the Hearing.
- 4.3 Where a party has previously requested permission for a person(s), other than their representative, to appear at the Hearing then the Committee shall consider whether to permit that request.
- 4.4 The Committee will allow the parties an equal maximum period of time in which to exercise their rights.
- 4.5 This equal maximum time may have been notified in advance of the Hearing;
- 4.6 Where there are a number of people who have attended the Hearing to make the same representation then the Committee would normally require that a spokesperson be appointed by them to make the representations on behalf of all of those who have made Relevant Representations .

5 Presentation of Submissions

- 5.1 The Chairperson will introduce the Application.
- 5.2 In the event that the Licensing Authority has given notice to a party requiring clarification on a point(s) then that party shall respond to the points raised by the Licensing Authority.
- 5.3 Submissions shall be made in the following order unless the Chairperson directs otherwise:
 - 5.3.1 The Licensing Officer will orally present the Committee Report and will in particular advise the Committee as to:
 - A the options available to it;
 - B the considerations that are relevant in reaching its decision.
 - 5.3.2 The Applicant (or the Applicant's Representative) will orally present its submission which may include:
 - A presenting their case in accordance with the papers, which will have been circulated with Agenda papers;
 - B confirming key information and answer pertinent questions; and
 - C calling witnesses in support of the Application (see paragraph 4.3).
 - 5.3.3 A Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation will orally present their representations in turn which shall include:
 - A the grounds of the representation to the Application; and
 - B any condition(s) that the Responsible Authority/Authorities and/or any person/s who have made a Relevant Representation would be happy to have the Application granted subject to which would cause the representation to be withdrawn.

6 Questioning of Submissions

- 6.1 The Chairperson will regulate the order in which questions are asked by Members.
- 6.2 The Chairperson and Members, voiced through the Chairperson, may question any party following the completion of their submission.
- 6.3 The Chairperson will normally permit the Applicant, a Responsible Authority/Authorities or any person/s who have made a Relevant Representation to ask questions through them of the other parties.
- 6.4 The Chairperson may direct that questions which are not relevant to the Application or one of the four Licensing Objectives are not formally put or answered.

7 Documentation

- 7.1 No party shall present new documentation to the Committee at the Hearing other than with the consent of all of the other parties. This does not preclude the Licensing Officer from correcting errors, providing updated information or an extract from a local map showing the Applicant's Premises in the context of the surrounding premises and any person/s who have made a Relevant Representation . If any party is granted permission to present supplementary papers at the Hearing they shall provide at least 10 copies at the start of their submission.

8 Intervention

The Chairperson shall permit the following interventions at any point in the Hearing:

- 8.1 The Committee Lawyer to advise the Committee on issues of law, procedure and relevant considerations on decision making. If necessary, the Chairperson may require the Committee, the Committee Lawyer and the Committee Manager to leave the Hearing so that advice can be given.
- 8.2 The Committee Manager to advise the Committee on procedure generally, or to request that statements made are repeated for reasons of clarity and so that they can be properly recorded.
- 8.3 The Licensing Officer to seek to clarify statements that have been made in light of information held on their file.

9 Failure of Parties to Attend Hearing

- 9.1 If a party has informed the Licensing Authority that it does not intend to attend or be represented at a Hearing, the Hearing may proceed in its absence.
- 9.2 If a party has not indicated that it does not intend to attend or be represented at a Hearing and fails to attend or be represented at the Hearing then the Licensing Authority may:
- 9.2.1 where it considers it be necessary in the public interest, adjourn the Hearing to a specified date; or
- 9.2.2 hold the Hearing in the party's absence.
- 9.3 Where the Licensing Authority holds a Hearing in the absence of a party, it shall consider at the Hearing the application, representations or notice made by that party.

10 Closing Submissions

- 10.1 The Chairperson shall allow first, the Responsible Authority/Authorities and any person/s who have made a Relevant Representation to make a closing oral submission(s) and secondly invite the Applicant or the Applicant's Representative an opportunity to make an oral closing submission in support of the Application.

11 Decision

- 11.1 The Committee, the Committee Lawyer and the Committee Manager, shall retire so that the decision may be considered in private, and to consider any legal issues raised by the Members.
- 11.2 The decision, and reasons for the decision, of the Committee shall be communicated orally by the Chairperson to the parties after the Committee has deliberated in private on the Application.
- 11.3 Written reasons shall be provided soon after the deliberations of the Application and in any event within the statutory time limits.

Representation 1 – Sarah Cleverley

Dear Licensing Department

Re: Proposed licence application for Calne FC.

This is an objection in reference to the application by Calne FC to Hold a licence for the sale alcohol and live music , recorded music performance of dance and other similar to description .

In addition to the points already raised in my previous letters i would like to raise the following concerns by way of formal objection.

1. Concentration of Licensed Premises local to the proposed application venue.

– There are 2 public houses on Bremhill View and one just off the street in close proximity to the proposed site.

– There are 2 shops selling alcohol nearby to Bremhill View .

– In addition to above there are numerous pubs close by which provide all which this licence is being applied for.

After leaving local public houses (and this venue if this application was granted) late at night the concern is that people will be drawn into the residential and conservation area on and near Bremhill View. Which will cause a noise nuisance for the residents of Bremhill View and surrounding areas. There is also potential overspill from events which are held at Bremhill View social club and the north star club such as weddings and parties that take place in a respectively some 1-2 minutes away from, and opposite, the site.

The addition of another licence being granted for the selling alcohol in this location, which is a conservation area and bounded by a children's play park and a children's nursery which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the site (as referred to below).

2. Crime and Disorder.

Granting this licence will draw unwelcome attention and increased footfall at unsociable hours to a residential and conservation area.

Noise, public nuisance, anti-social behaviour, low-level nuisance (non reportable crime inc. shouting, swearing, urination in public, littering) will be increased if this licence was granted .

The site is adjacent to North end play Park. Historically there have been incidents of regular gatherings of youths drinking alcohol and causing disturbances to residents of Bremhill View.

Police attention to this issue has somewhat lowered this, however, the site is acknowledged by the Police to be of concern for antisocial behaviour.

Recently there has an incident of malicious woundings on the exact premises of Bremhill view where this licence has been applied for. My concern being with added people and alcohol being served daily this could result again as people can become violent once alcohol has been consumed. I am wondering if this licence was approved will they run along with the licensing objectives to ensure a

smooth running ... I have a huge doubt that this licence will not be managed correctly or accordingly with the licensing objectives.

3. Public Nuisance.

Licence for alcohol mon-sun 10:00-23:30hrs opening times in a quiet, residential, conservation area will draw people from different areas at unsociable hours.

Live music , recorded music performance of dance and other of a similar description Fri-mon 10:00-23:30hrs will cause a massive public Nuisance for the residents of Bremhill View and in the local area to Bremhill view this would cause a disturbance to daily living we already have to adjust our television volumes to counter act the noise already this will become worse if this licence for calne fc was approved.

I can imagine if this licence was approved events will be held on the site which will add to the additional draw of pedestrians and vehicles to the street we already have limited space for parking and the road is used daily by young children attending north end play park.

Noise, light pollution, traffic and traffic noise will all have a negative impact, as this is a residential area.

Additional traffic, to a small road will have serious public safety implications, Including the fire safety of residents in Bremhill View and near by as with increased traffic and limited space fire crews may struggle to gain access.

The proposed Calne fc site has a very small parking area The aforementioned Northstar site has several more,(not many more)approving this licence will attract considerably more traffic than the site can handle, leading to congestion.

4. The Protection of Children From Harm.

The licence conflicts with the amenities available to children in the local area, putting them at risk from anti-social behaviour, drunkenness,increased littering mainly cigarette butts , human infestations such as vomit urine and exposure to the marketing and sale of alcohol and of course the increased potential for road traffic incidents due to extra road traffic on a small road.

There is one nursery at the entrance to Bremhill View near to the proposed site

Fynamore school is situated close by too.

– Bremhill View social club and the north star run children’s activities and is a venue for hire for children’s parties and family functions such as weddings and christenings.

– Annual Community events such as the towns loved lantern parade and the summer carnival’s starting points are at Bremhill View car Park.

– Northend play Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Initial Representation

To whom it may concern,

I'm writing with reference to the recent planning application put in by Calne town FC Committee, at Bremhill view calne,

I object to this application on many points, this is a residential area and the noise would be horrendous recorded music is already played every Saturday afternoon and that is loud as it is, The club would not be able to provide parking so the road will be blocked up the street is used everyday all day by children going the play park this would cause danger to them, The music and other entertainments may end at 11.30 pm but the people attending will not leave then there will be people all hours, It will devalue our property, We do not need 3 places selling alcohol and events in on very very small street, There is already a venue providing all the proposed activities in Calne at beverbrook which is very close by, the club have no inside area so to speak so this will be outside, It is a football club not a leisure centre.

We will not be able sit in our own homes and sleep in our beds without being disturbed and there will be no chance of having windows open on hot evenings.

Another point the air ambulance often uses the pitch to land if its full of people that would be an issue, I would say every home along bremhill view has small children or OAP I know this will scare them.

yours sincerely Mrs Sarah L Cleverley

Representation 2 – Jade Stockley

Dear Jemma ,

I am writing to register my objection to the application made for licensing for calne FC.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives. Particularly the prevention of crime , disorder and anti social behaviour.

Calne FC lies with in a residential area of eight houses mine being in centre to the entrance of calne FC. All eight houses are occupied by families with young children or OAPs. Enabling the premises of Calne FC to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption on the premises Monday to Sunday 10:00hrs to 23:30hrs. By providing this licence this would provide a further source of alcohol with in an area already so heavily populated with licensed premises, that crime , disorder and public nuisance have already reached problem levels occasionally having to be resolved by the local police.

Residents in Bremhill View already suffer noise nuisance and anti social behaviour at all hours of the day and night from other licensed premises in the area. The application states live music , recorded music , performance of dance and other entertainment of similar description Friday to Monday 10:00hrs to 23:30hrs. Noise nuisance isn't just the problem the public who will be attending events held at the proposed premises leave in an anti social manner from consuming too much alcohol. Too many times the residents of Bremhill View have had criminal damage to their vehicles or private property from intoxicated individuals leaving the licensed premises already in this area.

Noise , public Nuisance , antisocial behaviour and low levels of crime such as shouting , swearing , urination in public and littering will all be increased if this licence for Calne FC was granted. There has recently been an incident in the particular premises in which this licence is being applied for of serious bodily harm, illustrating the reality of the local residents concerns. If this licence was granted this could result again and again.

I don't feel that the licence if granted will be managed correctly and in accordance with the licensing objectives.

I feel that the premises which are applying for the licence is not large enough to cater for up-to 499 people and two occasions yearly for over 500 people as the licence notification states.

Granting this licence for Calne FC in a quiet , residential conservation area will unnecessarily draw people from a wider area at a unsociable hour.

Additional traffic , noise , light pollution and traffic noise will have a negative impact to note again in a conversation area with two already licensed establishments.

With additional traffic to a road with only one entrance and the same exit this could cause serious public safety implications. Not to mention fire safety.

If the licence for Calne FC was granted this will conflict with the local amenities for children , with a large children's play park situated just behind the premises of Calne FC potentially putting children at risk from antisocial behaviour, increased littering , human infestation such as vomit and urine , exposure to the marketing and sale of alcohol and most importantly the increased potential for road traffic incidents.

In view to all of the above , I would urge the licensing authority to refuse the application made for Calne FC.

Regards

Mrs Jade Stockley.

Initial Representation

Hi good evening ,

It has been brought to my attention whilst out on a family walk this evening that there has been an application for a licence in order for calne FC to obtain a licence for selling of alcohol , live music and films and more on the premises of Bremhill View football grounds.

I live in Bremhill View and have done for 5 years this is a residential area with 8 houses all occupied by family's with young children or OAPs.

I am objecting against this application for the all of the above.

My reasons being I feel that the space they have will not cater up for 499 people , football matches and practices prove difficult for parking already down the street as there's limited space at the moment let alone more vehicles to added if this was approved .

There's is a children's play park just behind the football ground with young children playing including my two children who love the park , children use Bremhill View road to access the park so children will be walking up and down the road which with more vehicles being attracted could cause accidents.

The grounds are often used by the air ambulance for the injured if there was an event on this would prove difficult for the air ambulance leaving the injured lives at risk.

Bremhill View already have two social drinking areas , Bremhill View social club and the North Star club

I don't see the need or want for any more. Beversbrook sports facility already caters for all that's being applied for.

The application states live music until 11:30pm, this will not be the case people don't want to leave that early so will most probably will be extended every event held , it's bad enough for noise from the other social clubs down the street let alone adding more to the equation.

I have two young children aged 4 & 2 who have already had to witness crime as back in November 2018 there was a stabbing in the carpark in which wasn't very nice for all down Bremhill View having the road isolated off while CID investigated. I feel having such events to cater for 499 people with drink fuel adults will cause the crime levels to rise significantly in which I do not want my children to have to witness or have to deal with. This is my biggest concern!

The signs that are notifying the public of the alleged applications are also hidden!! There not very noticeable so I don't think that everyone within this area are aware of the application.

You wouldn't plan to put a night club on a residential living area!! I feel this is would be just the same if not worse!

Please consider this as written notification that I object to the planning or application proposed for calne FC.

Regards

Jade Stockley

Representation 3 – Mr and Mrs Baker

Dear Jemma,

I am writing to register our objection to the application of licensing by Calne Football Club. We are residents of 15 Bremhill view and we are a young family with a little boy.

One of our main points of the application is to host music events and extend the opening hours. , as this is a residential area we feel this would not be appropriate. In the past we have suffered damage to our cars (Wing mirrors) from where people have been drunk. We have witnessed antisocial behaviour and loud noise and swearing .

With the proposed amount of people this will have an increased affect on noise and antisocial behaviour. There will be more people drinking and this can lead to unpleasant disturbances.

Not so long ago there was a major incident which resulted in a serious injury , if more drink is encouraged then this will be a repeat performance, this will make it feel unsafe for the current residents. As parents to a young child we do not want our children to be subjected to this kind of behaviour or language.

I think that there are enough places in the local area that offer this same proposed resource and we fill that another is not needed and should not be encouraged. If this license is granted this will add another venue which will encourage more drinking and disturbance. On match days we can here the music , this can be loud. If more events and longer events are held this will prove to be louder and cause more disturbance.

Kind Regards

Mr and Mr Barker 15 Bremhill View, Calne , SN11 9EE

Initial Representation

Dear Sir/madam.

i am writing in regards to the application that has been made by the Calne Town football Club to change there terms of use .

My self and my husband and our young son are Residents of 15 Bremhill view. We live directly oppisite.

At the moment there is not parking for what the football club is curently used for. this often creates lots of congestion and frustration to home owners. At times we have not been able to park near our houses and with young childrens means walking unesscicery amounts. This also creates a danger due to lots of cars moving. There are often lots of children playing, as at the end of the street we also have a park. If the events were to host 500 people I would worry where these extra cars would park.

On footbal match days you can here the noice that they chanel over the speakers and this is fine as this does not tend to go on long, but if thus were to go on later then this would be very disruptive to the local residents. At the moment the when the socal club itself hosts events we can here this but to have this going on 7 days aweek is unacceptable as there will be children sleeping and i would not like the worry of comeing home to loud music.

The street lighting is very poor and I believe that this again would be very unsafe with the amount of people that are proposed. There are no lights within the car park.

There are also other venues which offer this idea within Calne and I feel that as this one is in a residential area it is not practical. I also do not think promoting the idea of rowdy behaviour in a residential area is appropriate.

I look forward to hearing from you.

Live music , recorded music performance of dance and other of a similar description Fri-mon 10:00-23:30hrs will cause a massive public Nuisance for the residents of Bremhill View and in the local area to Bremhill view this would cause a disturbance to daily living we already have to adjust our television volumes to counter act the noise already this will become worse if this licence for calne fc was approved.

I can imagine if this licence was approved events will be held on the site which will add to the additional draw of pedestrians and vehicles to the street we already have limited space for parking and the road is used daily by young children attending north end play park.

Noise, light pollution, traffic and traffic noise will all have a negative impact, as this is a residential area.

Additional traffic, to a small road will have serious public safety implications, Including the fire safety of residents in Bremhill View and near by as with increased traffic and limited space fire crews may struggle to gain access.

The proposed Calne fc site has a very small parking area The aforementioned Northstar site has several more,(not many more)approving this licence will attract considerably more traffic than the site can handle, leading to congestion.

4. The Protection of Children From Harm.

The licence conflicts with the amenities available to children in the local area, putting them at risk from anti-social behaviour, drunkenness,increased littering mainly cigarette butts , human infestations such as vomit urine and exposure to the marketing and sale of alcohol and of course the increased potential for road traffic incidents due to extra road traffic on a small road.

– There is one nursery at the entrance to Bremhill View near to the proposed site

Fynamore school is situated close by too.

Bremhill View social club and the north star run children's activities and is a venue for hire for children's parties and family functions such as weddings and christenings.

– Annual Community events such as the towns loved lantern parade and the summer carnival's starting points are at Bremhill View car Park.

– Northend play Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,

Initial representation

To Whom It May Concern

I am a resident at 13 Bremhill View, Calne and I am aware that Calne FC have put in an application for a premises license.

I am objecting for the following reasons:

- I am a mother to two young children (5 & 7) and we would have severe noise disturbance. We need to prevent any harm to our children as once the members of the facilities have consumed alcohol, people can get aggressive

- the parking here is atrocious on match days as it is. Think of how it is going to be when more people are here. We won't have anywhere to park and it would cause chaos even more knowing that nearly 500 people will try and find a space.

- we need to prevent crime and disorder and again, once people are under the influence of alcohol, vehicles and property become damaged.

Do you not think that there are already enough venues that sell alcohol within close proximity of each other?

If this is not accepted then the residents of Bremhill View will take this further by means of a petition for not only us but other residents who shall be disturbed by the volume of noise and we will also take this to the newspapers and local radio.

I am not sure if Calne Town Council have a say in this but I will be in contact with them too.

If then, this has not been accepted, we would appreciate you turning the road into a road where residents require permits to park.

Kind Regards

Georgia Holmes

Dear Gemma,

Thank you for your reply today.

Re: Proposed licence application for Calne Town FC.

This is an objection in reference to the application by Calne FC to hold a licence for the sale of alcohol and live music , recorded music performance of dance and other similar to description . In addition to the points already raised in my previous letter (below) I would like to raise the following concerns by way of formal objection:-

1. Concentration of Licensed Premises local to the proposed application venue. There are 2 public houses on Bremhill View and one just off the street in close proximity to the proposed site. – There are 2 shops selling alcohol nearby to Bremhill View . In addition to the above, there are numerous public houses very close by which provide everything that this licence is being applied for. After leaving local public houses (and this venue too, if this application was granted) late at night, the concern is that people will be drawn into the residential and conservation area on and near Bremhill View. Which will cause a noise nuisance for the residents of Bremhill View and surrounding areas. There is also potential overspill from events which are held at Bremhill View social club and the north star club such as weddings and parties that take place in a respectively some 1-2 minutes away from, and opposite, the site. The addition of another licence being granted for the selling alcohol in this location, which is a conservation area and bounded by a children's play park and a children's nursery which hosts weekly regular young childrens' events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the site (as referred to below).

2. Crime and Disorder.

Granting this licence will draw unwelcome attention and increased footfall at unsociable hours to a residential and conservation area. Noise, public nuisance, anti-social behaviour, low-level nuisance (non reportable crime inc. shouting, swearing, urination in public, littering) will be increased if this licence was granted. The site is adjacent to North End Play Park. Historically there have been incidents of regular gatherings of youths drinking alcohol and causing disturbances to residents of Bremhill View & North End. Police attention to this issue has somewhat lowered this, however, the site is acknowledged by the Police to be of concern for antisocial behaviour. Recently there has been an incident of malicious wounding on the exact premises of Bremhill View where this licence has been applied for. My concern being with added people and alcohol being served daily this could result again as people can become violent once alcohol has been consumed. I am wondering; if this licence was approved, will they run along with the licensing objectives to ensure a smooth running? I hugely suspect that this licence will not be managed correctly or accordingly with the licensing objectives. My car has been subjected to vandalism on a few occasions and one of theft from within. My property regularly gets alcohol glasses and containers discarded in the garden.

3. Public Nuisance.

Licence for alcohol Mon-Sun 10:00-23:30hrs opening times in a quiet, residential, conservation area will draw people from different areas at unsociable hours. Live music, recorded music, performance of dance and other of a similar description Fri-Mon 10:00-23:30hrs will cause a massive public Nuisance for the residents of Bremhill View and in the local area to Bremhill view this would cause a disturbance to daily living we already have to adjust our television volumes to counteract the noise

already. This will become worse if this licence for Calne FC was approved. I imagine if this licence was approved, events will be held on the site which will add to the additional draw of pedestrians and vehicles to the street, which already has limited space for parking and the road is used daily by young children attending North End play park. Noise, light pollution, traffic and traffic noise will all have a negative impact, as this is a residential area. Additional traffic, to a small road will have serious public safety implications, including the fire safety of residents in Bremhill View and near by as with increased traffic and limited space, Fire & Rescue vehicles & crews may struggle to gain access. The proposed Calne FC site already has a very small parking area. The aforementioned North Star site has several more,(not many more)approving this licence will attract considerably more traffic than the site can handle, leading to congestion. I doubt whether a feasibility study has been done for the projected footfall figures plus their vehicles.

4. The Protection of Children From Harm.

The licence conflicts with the amenities available to children in the local area, putting them at risk from anti-social behaviour, drunkenness, increased littering mainly cigarette butts , human infestations such as vomit urine and exposure to the marketing and sale of alcohol and of course the increased potential for road traffic incidents due to extra road traffic on a small cul-de-sac road. – There is one nursery at the entrance to Bremhill View near to the proposed site. Fynamore Primary School is situated close by too.

Yours faithfully

Terry Thomas

Your Representation must relate to one of the four Licensing Objectives, which are detailed below. Please detail the evidence supporting your Representation and the reason for your Representation. If necessary, separate sheets may be used.

LICENSING OBJECTIVES	EVIDENCE
The protection of children from harm	

<p>The prevention of public nuisance</p>	<p>My home is 5 meters from the edge of the football ground. The noise, the lighting, the duration of any planned outdoor events will be seen & heard very clearly by the whole street. Parking will be a serious issue for event 'up to 500 people' as parking for residents & the two adjoining Social Clubs is barely adequate now. I have tolerated late-night arguments, damage to car and property & littering for over 20 years, A third venue with even longer licencing hours will be a recipe for disaster in my honest opinion.</p>
<p>The prevention of crime and disorder</p>	
<p>Public safety</p>	

Please list below any suggested actions that you feel the applicant could take to address your concerns:

Beverbrook Sports Facilities would be ideal for everything applied for in the application:
i.e.
Far enough from any housing so that noise is less of a problem.
Lighting & sound would be masked / reduced by the treeline on the by-pass.
A licenced bar already exists inside the Sports Complex.
Outdoor arenas and lighting are already in place.
There is adequate parking for the predicted 500 people.

If a hearing needs to be held to determine the Premises Licence Application, the Licensing Sub-committee will generally only be able to consider matters that have previously been disclosed. However, additional information in support of your Representation may be considered if all parties at the Hearing agree. We advise that you detail all matters that you wish to be considered on this initial Representation, attaching additional sheets if necessary.

If you do make a Representation you will be invited to attend the Licensing Sub-Committee Hearings and any subsequent appeal proceedings relevant to your Representation.

All Representations in their entirety, including your name and address, will be disclosed to the Premises Licence applicant. A copy of Representations will be annexed to the Licensing Officer's report, which is a public document published on the Council's website and circulated to the Licensing Sub-Committee and to all those who have made relevant Representations.
