You asked me to forward to you details of how to report a crime (via Wiltshire police web site) and also how concerned members of the public might upload video footage of traffic offences, and I respond accordingly.

1. *Please access police web site to report crimes and the link is: www.wiltshire.police.uk*
2. *If you have video footage of traffic offences – please consider using ‘Operation Snap’*

Operation Snap is a digital portal for members of the public to upload CCTV footage (from dashcams/cctv and Go-Pro's as example), but it must show moving footage of traffic offence allegations, not road traffic collisions (RTCs)

For each submission, an email is sent out acknowledging footage and informing there will only be future contact if required for court.

So far in 2024 in Wiltshire there have been:

- *47 prosecutions*
- *106 courses offered*
- *60 warning letters sent out,*
