2. The project

Project Title/Name	Replacement of damaged bins in Salisbury City
Please tell us about the project /activity you want to organise/deliver and why?	The state of public waste bins in Salisbury is not good. Many are damaged and missing doors. The Salisbury BID has identified, in conjunction with the City Council and Area Board that this is an important area for us to work on making the City a more attractive place for shoppers and visistors.
<i>Important: This section is limited to 900 characters only (inclusive of spaces).</i>	The project will see bins that are damaged beyond repair replaced and other bins that are damaged but not beyond use sent for refurbishment. There are about 200 bins in need of work in the City and between the City Council, BID and Wiltshire Council our aim is to see all of these bins repaired.

Where is this project taking place?	Salisbury City Centre
When will the project take place?	2016
What evidence is there that this project/activity needs to take place/be funded by the area board?	Wiltshire Council has a policy of not repairing bins which become worn out. This can only be addressed by a combination of the BID and local authorities working together.

How will the local community benefit?	By seeing a more attractive city centre which will attract more visitors and increase economic activity in the city. It will also ensure that we have enough bins in the city centre which will help to reduce litter.		
Does this project link to a current Community Issue? (if so, please give reference number as well as a brief description)	This links to the main issue identified by a joint meeting of the BID, City and Wiltshire Council.		
Does this project link to the Community Plan or local priorities? (if so, please provide details)	Yes through the above meeting		
Is this project supported by the Local Youth Network or Community Area Transport Group? (if it relates to young people or highways and transport)			
What is the desired outcome/s of this project? Fixing and replacing Salisbury's waste bins			
Who will be responsible for managing this project? Salisbury City Council will take the lead working closely with the BID			
3. Funding			
What will be the total cost of the project?	£30,000		
How much funding are you applying for? Please note that only capital funding is available	£10,000		
If you are expecting to receive any other funding for your project, please give details	Source of Funding	Amount Applied For	Amount Received
	BID	£10,000	
	City Council	£10,000
