<p><b>Project Description:</b>            Since its launch in 2012 Larkrise Riding for the Disabled Group has become very popular going from strength to strength thus increasing the need to improve the facilities. The proposed project is to provide cover to the existing horse handling area manege which is currently an open space attached to a barn on the Larkrise Community Farm in Trowbridge. In order to provide riding lessons in all weather conditions to the ever growing numbers of disabled riders there is a need for the horse handling area to be enclosed providing shelter in wet and windy conditions.</p> <p><b>Input from Community Engagement Manager:</b>            (CEM put your input here)</p>
