## 9. Applications for consideration

Application ID	Applicant	Project Proposal	Requested
<a href="#">2164</a>	Salisbury Child Contact centre	Salisbury Child Contact Centre	£5000.00
<b>Project Description:</b> The Salisbury Child Contact Centre offers a safe and neutral place for children of separated families to meet the non-resident parent to enable children to develop and maintain positive relationships with non-resident parents and other family members. The children who attend the Salisbury Child Contact Centre are children who may not have seen or had contact with a parent for some considerable time. Children that come to the centre are referred by the Courts Solicitors Childrens Services or CAFCASS and have witnessed relationship breakdown between parents which can include Domestic Violence and/or Drug and Alcohol Abuse.			
<b>Input from Community Engagement Manager:</b>  This application has been considered by the Local Youth Network Management Group, who fully support the request, and were minded to grant the full £5000 from the Youth Budget – the costs involved being all revenue rather than capital. On balance however, in order to retain just over £6000 in the Youth Budget to fund grants at the March 2017 meeting, the LYNMG concluded that a contribution of £4000 should be the recommendation to the board.			
<b>Proposal</b> That the Area Board determines the application.			

Application ID	Applicant	Project Proposal	Requested
<a href="#">2137</a>	Salisbury Stingrays ASC	Salisbury Stingrays New Timing Pads	£1500.00
<p><b>Project Description:</b> Salisbury Stingrays ASC needs 5 new digital timing pads which connect to the starters box and when swimmers touch the pad at the end of the race they directly link to the digital display score board recording each swimmers individual time. These are essential pieces of equipment for the ASA standard swimming galas the club hosts at Five Rivers throughout the year. The old style of pads only last 5 years before requiring replacement and 5 have stopped working recently. The new style of pads have a far longer life span and wont require replacement for at least 20 years.</p> <p><b>Input from Community Engagement Manager:</b> This is an application for capital funding. The board has just over £1.3k remaining in its capital budget for 2016/7, and may also wish to top up the contribution to the Parkour Park application, which the LYNMG has recommended £2k towards.</p> <p><b>Proposal</b> That the Area Board determines the application.</p>
