

List of Grant Applications for Westbury Area Board – 2nd February 2017

Applicant	Project summary	Amount Requested from Area Board	Total Project Cost
<p>Westbury Town Council 2263</p>	<p>Westbury defibrillator project:</p> <p>This project will provide defibrillators in Westbury. The defibrillators will be available to the public 247 in a carefully chosen locations to provide the most suitable and accessible service. Currently Westbury does not have defibrillators available outside office surgery hours.</p> <p>The Westbury community will benefit from defibrillators in key strategic sites located in areas of Westbury as recommended by a specialist. This will enable critical response time to reduce risk of death.</p> <p>Each unit has a ten year guarantee. This provides the council with a number of options to enable the continuation of this project in the future. For example funding through a new grant application precept or other.</p> <p>Westbury Town Council will work in partnership with Westbury Area Board to jointly fund, promote and support the project.</p>	<p>£5,000</p>	<p>£10,000</p>

Remaining Budget: £5,546.09

Total of current applications: £5,000.00
