

## Malmesbury Area Board - Report, 1st March 2017

### Community Engagement

Staff have now started collecting and carrying out Safe & Well visits in Malmesbury and the surrounding areas. If you need a smoke alarm, some advice or are worried about what you would do in an emergency, contact us for a free Safe and Well visit;

<http://www.dwfire.org.uk/safety/safe-and-well-visits/>

The importance of fire safety is a message that can't be delivered too soon, which is why we have a team of education advisors who work with young people across Wiltshire, Bournemouth, Dorset, Poole, Swindon.

At primary school level, education advisors visit classes with structured lesson plans that focus on issues such as the work of the Fire & Rescue Service, the dangers of playing with matches, the importance of smoke alarms, having a fire plan, and dialling 999 in an emergency. Older children are also taught why you should never make hoax calls.

We can also arrange visits to our fire stations or one of our safety centres. For more information or to make a booking for your school or pre-school, please visit our webpage;
