

**Report to** Malmesbury Area Board  
**Date of meeting** 06.09.17  
**Title of report** Community Area Grant funding

**Purpose of the Report:**

To consider a councillor-led initiative requesting funding from the Area Board.

Applicant	Amount requested
John Thomson	£500.00

**1. Background**

Area Boards have authority to approve Area Grants under powers delegated to them. Under the Scheme of Delegation Area Boards must adhere to the [Area Board Grants Guidance](#)

**2. Main Considerations**

- 2.1. Councillors will need to be satisfied that funding awarded in the 2016/2017 year is made to projects that can realistically proceed within a year of it being awarded.
- 2.2. Councillors must ensure that the distribution of funding is in accordance with the Scheme of Delegation to Area Boards.
- 2.3. Councillors will need to be satisfied that the applications meet the Community Area Board grants criteria and practice papers for [councillor-led initiatives](#)
- 2.4. Best practice advises that applications relating to young people or highways and transport should be considered by, and seek a recommendation from, the Local Youth Network or Community Area Transport Group.

**3. Environmental & Community Implications**

Councillor led-projects are designed to enable councillors to tackle issues in their area, including projects and initiatives which have been initiated by the community eg. a community issue. Councillor-led projects should not be used to fill gaps where there are service shortfalls or where it is possible for the matter to be resolved through the use of the Community Area Grants scheme.

**4. Financial Implications**

Financial provision had been made to cover this expenditure. The Community Area Grants scheme which funds Councillor-led initiatives can only provide capital funding.

**5. Legal Implications**

There are no specific legal implications related to this report.

**6. Human Resources Implications**

There are no specific human resources implications related to this report.

**7. Equality and Inclusion Implications**

Community Area Boards must fully consider the equality impacts of their decisions in order to meet the Council's Public Sector Equality Duty.

**8. Safeguarding Implications**

The Area Board has ensured that the necessary policies and procedures are in place to safeguard children, young people and vulnerable adults.

**9. Applications for consideration**

<b>Application Name</b>	<b>Provider</b>	<b>Project Proposal</b>	<b>Requested</b>
Luckington Church Sign Post	Wiltshire Council	John Thomson	£500.00
<b>Project description</b> Luckington Church requires a sign to the entrance of the drive down to the church from the main road. It would seem that the most appropriate sign to fit in with the rural environment would be a finger post with a single arm 'The Church'. This could be positioned in the highway verge opposite the entrance.  A 'devon' type white aluminium post and doubled sided black lettered single arm, which has been used elsewhere in the north of the county, would be considerably cheaper than a more traditional oak one. An estimate of cost would be £500 without any erection, but we will work with the Parish Steward to arrange this.			
<b>Proposal</b> That the Area Board determines the application from John Thomson for £500.00
