Subject:	Flood Resilience in Your Local Area
Web contact:	renate.malton@wiltshire.gov.uk

The recent wet weather may lead to communities asking about their flood risk.

Communities may be interested in holding a workshop to enable any towns and parishes within your area the opportunity to sit down and work through drafting up a flood plan for their community along with a colleague from the Environment Agency. Drawing up a flood plan can be daunting for a parish on its own but doing this with other like-minded parishes will help.

Communities can find out if they are at risk of flooding through the attached environment agency link: <https://www.gov.uk/check-flood-risk>

We would be looking to do this from January 2020. The best days to arrange these are Tuesdays & Wednesday – am/pm and evenings.
