**Subject:** THE NEW INN,AMESBURY - License LN000043211, Review WK202125402

Dear sir/madam

I am in fully supporting Alistair Day, Police Licensing application for a review of the above license.

Of The New Inn Amesbury, and the reasons given.

Crime and disorder - there has been a constant problem with this establishment, to the detriment of other businesses in the area, Anti-social behaviour abounds every weekend, causing a disturbance to Amesbury residents and indeed hotel residents, also using most of our meagre police resources to maintain public order

Public safety - There has been a marked rise in the unsafe behaviour of the customers attending these premises. Members of the public and residents are experiencing threatening behaviour regularly when this premises close.

Public nuisance - there is constant public nuisance in the high street are from this establishment every weekend. The access sale of cheap alcohol encourages customers to consume more than necessary. The two hotels in High Street have suffered an increased lack of business due to comments on travel web sites from past customers who had no sleep due to the goings on outside in the street, well into the early hours of weekend mornings.

This review has been a long time coming as there has been constant effort between all the stakeholders involved to address all of the issues mentioned. Unfortunately to no avail.

As a [REDACTED] I have been privy to the outrageous happenings outside the premises, and really believe this license should be terminated. I am also sure that there will be constant applications to increase opening hours and music playing.

It should also be remembered this is a central establishment in a small town that has 45% residential properties including sheltered accommodation and gated housing communities for the elderly, many of which back onto, or are in near proximity to the named premises.

Therefore I ask that deep consideration of present and future consequences be observed.

Regards
