Item 6 – Public Participation

From Pete Cousins

To Cllr Richard Clewer Leader of the Council and Cabinet Member for MCI, Economic Development, Heritage, Arts, Tourism and Health & Wellbeing and Interim Cabinet Member responsible for Finance & Procurement, Commissioning and Commercialisation

Question (P22-11)

The Chippenham Partnership Board seems to be involved in many of the areas that the Chippenham Neighbourhood Plan has a democratic remit for – has the Chippenham NP been engaged? And if not, why not?

Response

Chippenham Town Council is the ‘qualifying body’ that is leading the development of the Neighbourhood Plan and are also on the Chippenham Partnership Board. This will ensure continuity between plans and strengthen the growth of the area.
